:: ORDER-IN-APPEAL ::

The Deputy Commissioner, erstwhile Central Excise Division, Gandhidham filed Appeal Nos. V2/EA2/13-27/RAJ/2010 on behalf of the Commissioner, Central Excise, Rajkot (*hereinafter referred to as "Appellant Department"*) in pursuance of the direction and authorization issued under Section 35E(2) of the Central Excise Act, 1944 against Refund Order No. 238 to 252/2009-10 dated 11.3.2010 (*hereinafter referred to as "impugned order"*) passed by the Deputy Commissioner, erstwhile Central Excise Division, Gandhidham (*hereinafter referred to as "refund sanctioning authority"*) in the case of M/s Rudraksh Detergent & Chemicals Pvt. Ltd, Padana, District - Kutch (*hereinafter referred to as 'Respondent'*).

2. The facts of the case, in brief, are that the Respondent was engaged in the manufacture of excisable goods falling under Chapter Nos. 28 and 34 of the Central Excise Tariff Act, 1985 and was holding Central Excise Registration No. AADCR08390XM001. The Respondent was availing benefit of exemption under Notification No. 39/2001-CE dated 31.07.2001, as amended (*hereinafter referred to as 'said notification'*). As per scheme of the said Notification, exemption was granted by way of refund of Central Excise duty paid in cash through PLA as per prescribed rates and refund was subject to condition that the manufacturer has to first utilize all Cenvat credit available to them on the last day of month under consideration for payment of duty on goods cleared during such month and pay only the balance amount in cash. The said notification was subsequently amended vide Notification No. 16/2008-CE dated 27.03.2008 and Notification No. 33/2008-CE dated 10.06.2008, which altered the method of calculation of refund by taking into consideration the duty payable on value addition undertaken in the manufacturing process, by fixing percentage of refund ranging from 15% to 75% depending upon the commodity.

2.1 The Respondent had filed refund applications for the period from November, 2006 to January, 2008 for refund of Central Excise Duty, Education Cess and Secondary and Higher Education Cess paid from PLA amounting to Rs. 21,01,06,973/- on clearance of finished goods manufactured by them.

2.2 On scrutiny of refund applications, it was, *inter alia*, observed by the refund sanctioning authority that,

- (i) the Respondent had installed certain new machineries for manufacturing of Detergent bars after cut-off date of 31.12.2005 and hence, they are not eligible for refund of duty paid on goods

*alce*

manufacture out of said new machineries.

(ii) exemption under the said notification was available only to Central Excise Duty and the said notification did not cover Education Cess and Secondary & Higher Education Cess and hence, the Respondent was not entitled for refund of Education Cess and S.H.E. Cess.

3. The sanctioning authority sanctioned refund of Rs. 13,92,43,085/- vide Refund Order No. 91 to 105, all dated 12.6.2008, and rejected the remaining refund amount. Being aggrieved, the Respondent filed appeals before the then Commissioner (Appeals), Central Excise, Rajkot who vide his Order-in-Appeal No. 338 to 353/2008 dated 12.12.2008 allowed the appeals with consequential relief. The Department reviewed the said Order-in-Appeal and filed appeals before the Hon'ble CESTAT, Ahmedabad along with stay application. The Tribunal vide Order No. S/1233/WZB/AHD/2009 dated 17.8.2009 rejected the stay application.

3.1 On rejection of Stay application by the Hon'ble Tribunal, the refund sanctioning authority sanctioned refund of Rs. 5,69,14,072/- vide the impugned order but did not sanction refund of Education Cess and Secondary and Higher Education Cess totally amounting to Rs. 57,80,180/-.

4. The impugned order was reviewed by the Appellant Department and present appeals have been filed *inter-alia*, on the grounds that,

(i) The impugned order was passed in pursuance of directions contained in Order-in-Appeal No. 338 to 353 / 2008 dated 12.12.2008 passed by the Commissioner (Appeals), Central Excise, Rajkot; that the said Order-in-Appeal has been challenged by the Department before the CESTAT, Ahmedabad and it is still pending.

(ii) That the Board vide letter F. No. 110/21/2006 CX3 dated 10.07.2008 addressed to the Chief Commissioner of Central Excise, Ahmedabad has issued point wise clarification on the area based Exemption Notification No. 39/2001 dated 31.07.2001, wherein at Point No. 1, it has been clarified as under:

*"Point No.1: Whether the benefit of exemption would be available to goods/products that unit starts manufacturing after the cut of date for the commencement of commercial production i.e. 31.12.2005?"*

*Comments: There would be two situations. First is that where a unit*

*du*

*introduced a new product by installing fresh plant, machinery or capital goods after the cut off date, in such a situation, exemption would not be available to this new product. The said new product would be cleared on payment of duty, as applicable and separate records would be required to be maintained to distinguish production of these products from the products which are eligible for exemption.*

*The other situation is the one where a unit starts producing some products (after the cut off date) using the plant and machinery installed up to the cut off date and without any addition to the plant and machinery. For example, in case of plant molded products, a unit may commence the production of different products simply by changing the moulds and dies. In that case the unit would be eligible for the benefit of Notification because the plant and machinery used for manufacture has remained the same. In this connection, it is further clarified that for the purpose of computing the original value of plant and machinery, the value of plant and machinery installed on the date of commencement of commercial production only shall be considered."*

(iii) That the assessee installed one silo, one vibrator sieve, one weigh dropper, vapor separator cyclone and sigma mixture for manufacture of detergent bars after 31.12.2005. From the certificate dated 12.04.2008 issued by the Chartered Engineer, it appears that one sigma mixer, of production capacity of 3,900 Liters has been installed after 31.12.2005 and both the sigma mixer installed before and after 31.12.2005 are having equal capacity. Hence, the production capacity of the assessee has increased. The Chartered Engineer also certified that the sigma mixer installed before 31.12.2005 and installed after 31.12.2005 was having equal capacity. Therefore, it is clear that with the said new machineries, they have obtained the production, otherwise there was no need to install such new machineries and investment of such huge amount; that due to said new machineries, the production has been obtained and refund is not admissible on the additional production from the new additional machineries as above under the said Notification.

5. The Respondent vide letter dated 8.6.2010 filed Cross Objection, *inter alia*, contending that,

(i) That the refund sanctioning authority correctly followed the Order-in Appeal No. 338 to 353/2008 dated 12.12.2008, especially

*des*

when the stay application of the department was rejected by the CESTAT, Ahmedabad vide Order No. S/ 1233/WZB/AHD/09 dated 7.8.2009. The refund sanctioning authority has correctly decided the refund claims and there was no ground for rejecting only because the department's appeal was pending before Hon'ble CESTAT. The said maintenance of judicial discipline cannot be set aside as incorrect or bad in law.

(ii) That the grounds of appeal are mere reference to the grounds of appeal so pending before Hon'ble CESTAT and the same does not render previous Order-in-Appeal No. 338 to 353/2008 dated 12/12/2008 as null and void. The said Order-in-Appeal is still valid and fully in force and during the validity of the said order, the present refund claims cannot be held to be invalid.

(iii) That there was no condition in the notification that no additional equipment or machinery could be installed in the said unit after 31.12.2005. The appeal fails to appreciate that the notification was meant to augment industrial activity in Kutch region which was devastated by an earthquake. Surely, the Central Government did not or could not intend that there can be no further investment made or machinery installed. It is well settled that a notification has to be strictly construed and in absence of any condition it is not open to the executive authority to read any assumed condition that there was a prohibition in installing any new equipment or machinery after 31.12.2005. The present appeal proposing to read additional conditions in the notification deserves to be rejected.

(iv) That the present appeals seriously err in not appreciating that the exemption was not based on any production capacity. The exemption was granted to the unit in respect of goods manufactured and cleared by it provided it was a new unit certified by such empowered committee. The Respondent's unit was a unit so certified by the empowered committee and, therefore, all the clearances made by the respondent from the said unit were qualified for exemption. The present appeal proceeded to read a condition which is clearly absent in the notification and deserves to be set aside.

(v) That the respondent had only installed such equipment or machinery which had resulted in achieving debottlenecking. The

respondent had submitted two Chartered Engineers Certificates to the Asst. Commissioner which have remained un-controverted that there was no increase in production capacity as a result of equipment or machinery installed by the respondents.

6. The Appeals were transferred to callbook in view of pendency of appeals filed by the Department against Order No. A/1713-1714/WZB/AHD2010 dated 15.7.2010 of the Hon'ble CESTAT, Ahmedabad in Respondent's own case before the Hon'ble Supreme Court. The said appeals were retrieved from callbook in view of the Order dated 5.9.2019 passed by the Hon'ble Supreme Court and have been taken up for disposal.

7. Personal hearing in the matter was held on 24.2.2021 in virtual mode. Shri Vinay Sejpal, Advocate, and Shri Rajesh Devpura, General Manager (Commercial), appeared on behalf of the Respondent and reiterated the submissions made in the Cross Objection and also submitted written submission for consideration. No one appeared on behalf of the Appellant Department.

7.1 In written submission, it has been contended that the Departmental appeal has been dismissed by the Hon'ble CESTAT, Ahmedabad vide its Order No. A/1713-1714/2010-WZB/AHD dated 15.7.2010 reported as 2010(260) ELT 469 (Tri.-Ahmd) and that Civil Appeal No. 5487-5488/2011 filed by the Department before the Hon'ble Supreme Court have also been dismissed as reported in 2019 (368) ELT A.341. Since, the issue raised by the Department in present appeal proceedings stand decided and settled by the Hon'ble Supreme Court, the present appeals filed by the Department deserve to be set aside.

8. I have carefully gone through the facts of the case, impugned order, grounds raised in appeal memorandum and Cross Objection and oral submission made by the Respondent at the time of hearing. The issue to be decided in the present appeals is whether refund sanctioned vide the impugned order in pursuance of Order-in-Appeal No. 338 to 353/2008 dated 12.12.2008 is correct, legal and proper or not?

9. On perusal of the records, I find that the Respondent was availing the benefit of area based Exemption Notification No. 39/2001-CE dated 31.7.2001, as amended. As per scheme of the said Notification, exemption was granted by way of refund of Central Excise duty paid in cash through PLA as per rates prescribed under said notification which was subsequently modified vide Notification No. 16/2008-CE dated 27.03.2008 and Notification No. 33/2008-CE

Handwritten signature and circular stamp.

dated 10.06.2008. The Respondent had filed refund applications for the period from November, 2006 to January, 2008 for refund of Central Excise Duty, Education Cess and Secondary and Higher Education Cess paid from PLA amounting to Rs. 21,01,06,973/- on clearance of finished goods manufactured by them. The refund sanctioning authority partially rejected the refund claim relating to duty paid on goods manufactured out of plant and machinery installed after cut-off date of 31.12.2005 and also rejected refund of Education Cess and Secondary and Higher Education Cess. The Respondent challenged the rejection of the refund before the then Commissioner (Appeals), Central Excise, Rajkot who vide his Order-in-Appeal No. 338 to 353/2008 dated 12.12.2008 allowed the appeals of the Respondent with consequential relief. In pursuance of the said Order-in-Appeal dated 12.12.2008, the refund sanctioning authority sanctioned refund to the Respondent vide the impugned order.

9.1 The Appellant Department has filed the present appeals on the ground that Order-in-Appeal No. 338 to 353/2008 dated 12.12.2008 was challenged by the Department before the Hon'ble CESTAT, Ahmedabad, which was pending at the time of filing appeals. The Appellant Department mainly rely on Board's letter No. 110/21/2006-CX.3 dated 10.7.2008 to contend that installation of new plant and machinery after 31.12.2005 had resulted in increase in production capacity and hence refund is not admissible on such additional production.

9.2 On the other hand the Respondent has contended that the Departmental appeal has been dismissed by the Hon'ble CESTAT, Ahmedabad vide its Order No. A/1713-1714/2010-WZB/AHD dated 15.7.2010 reported as 2010(260) ELT 469(Tri.-Ahmd) and that Civil Appeal No. 5487-5488/2011 filed by the Department before the Hon'ble Supreme Court have also been dismissed as reported in 2019 (368) ELT A.341. The Respondent further contended that since the issue raised by the Department in present appeal proceedings stand decided and settled by the Hon'ble Supreme Court, the present appeals filed by the Department deserve to be set aside.

10. I find that the main contention raised by the Appellant Department in the present appeals is that the Respondent was not eligible for refund of duty paid on goods manufactured out of plant and machinery installed after cut-off date of 31.12.2005. I find that the Hon'ble CESTAT, Ahmedabad has dismissed

the appeals of the Department vide Order No. A/1713-1714/2010-WZB/AHD dated 15.07.2010 reported as 2010(260) ELT 469(Tri.-Ahmd), wherein it has been held that,

“5.1 We have considered the submissions and perused the records. The respondents are eligible for the benefit of Notification No. 39/2001-C.E., dated 31-7-2001, is not in dispute. The appellants have only challenged the Ld. Commissioner Appeals’ order, setting aside the lower adjudicating authority’s order to the extent of denial of 50% refund on the production of detergent bars in case of order No. 91/2008, dated 12-6-2008. The contention of the appellants is that the respondents have installed one silo, one vibrator sieve, one weigh dropper, vapor separator, cyclone and sigma mixture for manufacture of detergent bars after 31-12-2005 and installation of one sigma mixture of production capacity of 3900 after 31-12-2005 is in addition to a sigma mixture of equal capacity already installed in the factory prior to 31-12-2005, has led to enhancement in production capacity. This issue has been dealt with by the Ld. Commissioner (Appeals) at length in para 11.1 to 11.5 and gave cogent findings that the installation of the aforesaid equipment has not led to any enhancement of the production capacity. The aforesaid equipments were only to improve efficiency, to ease the problem of storage and handling of raw materials. The learned Commissioner (Appeals) in para 11.3 of order-in-appeal found that :

“On perusal of the declaration filed in Annexure-I giving information relating to installation of machinery on or before 31-12-2005 and after 1-12-2006, I find that One Silo Mixer of 23 M3 capacity and one Vibro Sieve of 3.7 M3/H were installed to take care for any change in formulation. One weigh hopper of 1.35 M3 was added after removing the conveyor which fed the two mixtures since it created the quality problem and now each feed each mixer. Further, one cyclone was replaced since the earlier one was not working efficiently. Lastly, one Sigma Mixer of 3900 Liters was added to enable easy change in formulation.

Further, Shri Mahendrakumar H. Trivedi, Chartered Engineer vide his Certificate dated 24-4-2008 while taking into account the installation of above 4 items has stated that *“Installed Capacity of Detergent Bars is determined by the capacity of the Plodder, Stumpers and Wrapping Machines. Since there are no addition to these three equipments, the final installed/production capacity remains at the original installed capacity of 75000 MTs per annum as on 31-12-2005.”*

I find that Lower Authority vide his impugned orders have not adduced any findings to counter the appellants’ above arguments and the Chartered Engineer certificate.

Further, I find that the basic use of installed machineries is to handle the problem of storage of raw materials, increase efficiency of the installed machinery and to facilitate easy change in formulation. I also find that it is a fact that there is no addition to the already installed capacity i.e. 75,000 Metric Tones and the said fact has not been refuted by the lower Authority in his order.”

The department didn’t challenge the findings of the lower adjudicating authority. Revenue could not produce any document or any evidence which shows enhancement of production capacity. The Revenue has also placed reliance on clarification on Point No. 1 issued by letter F. No. 110/21/2006 CX3, dated 10-7-2008. Since there is no change in installed capacity the Board’s clarification is not relevant to the instant case. The learned

Commissioner (Appeals) has relied upon the Point No. 2 of the aforesaid Board's clarification wherein it has been clarified that as long as there is no increase in the capacity of production and alteration or addition are made to enhance the quality of the products or for efficiency gains the benefit of notification shall not be denied. Therefore, we do not find any infirmity with the learned Commissioner (Appeals) order. The appeal is devoid of merits. Therefore, the impugned order is upheld and the appeal of the Revenue is dismissed to the above extent."

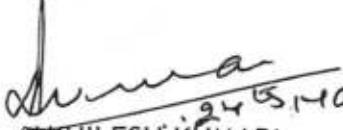

(Emphasis supplied)

10.1 I find that the said Order dated 15.7.2010 of the Tribunal was challenged by the Department before the Hon'ble Supreme Court, which has been dismissed by the Apex Court vide Order dated 5.9.2019 as reported in 2019 (368) ELT A341 (SC). Thus, the matter has attained finality and stand decided in favour of the Respondent. Thus, the Order-in-Appeal dated 12.12.2008 has been upheld by the Hon'ble CESTAT, Ahmedabad as well as by the Hon'ble Supreme Court. In view thereof, the refund sanctioned vide the impugned order in pursuance of directions contained in said Order-in-Appeal dated 12.12.2008 is legal and proper. I, therefore, hold that there is no infirmity in refund sanctioned by the sanctioning authority vide the impugned order.

11. In view of above, I uphold the impugned order and reject the appeals filed by the Appellant Department.

12. अपीलकर्ता द्वारा दर्ज की गई अपीलों का निपटारा उपरोक्त तरीके से किया जाता है।

12. The appeals filed by the Appellant Department are disposed off as above.
