#### :: ORDER-IN-APPEAL ::

The three appeals have been filed by the Appellants (hereinafter referred to as "Appellant No. 1 to Appellant No. 3"), as detailed in Table below, against Order-in-Original No. 26/BB/AC/2020-21 dated 26.3.2021 (hereinafter referred to as 'impugned order') passed by the Asst. Commissioner, Central GST, Morbi-II Division, Rajkot Commissionerate (hereinafter referred to as 'adjudicating authority'):-

Sl. No.	Appeal No.	Appellants	Name & Address of the Appellant
1.	V2/167/RAJ/2021	Appellant No.1	M/s Toronto Ceramic Pvt Ltd Survey No. 21 p/2, Old Ghuntu Road, Behind Sogo Ceramic, National Highway 8A, Morbi.
2.	V2/168/RAJ/2021	Appellant No.2	Shri Shamjibhai Mavjibhai Barasara, Director of M/s Toronto Ceramic Pvt Ltd, Morbi.
3.	V2/169/RAJ/2021	Appellant No.3	Shri Govindbhai Jasmatbhai Desai, Director of M/s Toronto Ceramic Pvt Ltd, Morbi.

- Since issue involved in above appeals is common, I take up all appeals together for decision vide this common order.
- The facts of the case, in brief, are that Appellant No. 1 was engaged in 2. manufacture of Ceramic Floor and Wall Tiles falling under Chapter Sub Heading No. 69089090 of the Central Excise Tariff Act, 1985 and was holding Central Excise Registration No. AACCT7399CXM001. Intelligence gathered by the officers of Directorate General of Central Excise Intelligence, Zonal Unit, Ahmedabad (DGCEI) indicated that various Tile manufacturers of Morbi were indulged in malpractices in connivance with Shroffs / Brokers and thereby engaged in large scale evasion of Central Excise duty. Simultaneous searches were carried out on 22.12.2015 at the premises of Shroffs in Rajkot and Morbi and various incriminating documents were seized. On scrutiny of said documents and Statements tendered by the said Shroffs, it was revealed that huge amounts of cash were deposited from all over India into bank accounts managed by said Shroffs and such cash amounts were passed on to Tile Manufacturers through Brokers/Middlemen/Cash Handlers. Subsequently, simultaneous searches were 23.12.2015 31.12.2015 the premises

and

Page 3 of 20

Brokers/Middlemen/Cash Handlers engaged by the Tile manufacturers and certain incriminating documents were seized.

- 2.1 Investigation carried out revealed that the Shroffs opened bank accounts in the names of their firms and passed on the bank account details to Tile manufacturers through their Brokers/Middlemen. The Tile manufacturers further passed on the bank account details to their customers/ buyers to deposit the cash in respect of the goods sold to them without bills into these accounts. After depositing the cash, the customers used to inform the Tile manufacturers, who in turn would inform the Brokers or directly to the Shroffs. Details of such cash deposit along with the copies of pay-in-slips were communicated to the manufacturers by the Customers. The Shroffs on confirming the receipt of the cash in their bank accounts, passed on the cash to the Brokers after deducting their commission from it. The Brokers further handed over the cash to the Tile manufacturers after deducting their commission. This way the sale proceeds of an illicit transaction was routed from buyers of goods to Tile manufacturers through Shroffs and Brokers.
- 2.2 During scrutiny of documents seized from the office premises of M/s K.N. Brothers, Rajkot and M/s Maruti Enterprise, Rajkot, both Shroffs and Shri Satish Patel, Morbi, Broker/ Middleman, it was revealed that the said Shroff had received total amount of Rs. 3,37,69,095/- in their bank account during the period from 29.12.2014 to 21.12.2015, which was passed on to Appellant No. 1 in cash through Shri Satish Patel, Broker/ Middleman. The said amount was alleged to be sale proceeds of goods removed clandestinely by Appellant No. 1.
- 3. Show Cause Notice No. DGGI/AZU/Gr-A/36-188/2019-20 dated 23.12.2019 was issued to Appellant No. 1 calling them to show cause as to why Central Excise duty amount of Rs. 42,10,655/- should not be demanded and recovered from them under proviso to Section 11A(4) of the Central Excise Act,1944 (hereinafter referred to as "Act") along with interest under Section 11AA of the Act and also proposing imposition of penalty under Section 11AC of the Act. The Show Cause Notice also proposed imposition of penalty upon Appellants No. 2 & 3 under Rule 26(1) of the Central Excise Rules, 2002.
- 3.1 The above said Show Cause Notice was adjudicated vide the impugned order which confirmed Central Excise duty of Rs. 42,10,655/- under Section 11A(4) along with interest under Section 11AA of the Act and imposed penalty of Rs. 42,10,655/- under Section 11AC of the Act upon Appellant No. 1 with option of reduced penalty as envisaged under provisions of Section 11AC of the Act. The impugned order also imposed penalty of Rs. 5,00,000/- each upon Appellants No.

2 & 3 under Rule 26(1) of the Rules.

4. Being aggrieved with the impugned order, Appellant Nos. 1 to 3 have preferred appeals on various grounds, *inter alia*, as below:-

#### Appellant No. 1:-

- That it was submitted before the Adjudicating Authority that it is a (i) settled law that demand cannot be sustained if no stock difference in the recorded quantity of finished goods and physical quantity of finished goods; in the recorded quantity of inputs and the physical quantity of the inputs is found in the factory during visit of central excise officers. No demand could be sustained if there is nothing on record to show purchase of raw materials for the manufacture of final product; no statement of raw material suppliers are recorded. No demand could be sustained if investigation has not proceeded to bring on record unaccounted purchase of raw material. No demand could be sustained if no investigation to indicate unusual consumption of electricity. No demand could sustain if there is no tangible evidence to indicate manufacture and clandestine removal of goods. It is a settled law that charge of clandestine removal of dutiable goods has to be proved by the department by adducing cogent and concrete evidence and it cannot be based on assumption and presumption. It is a settled law that without verifying manufacture, electricity consumption, labour, etc., no demand could sustain. It is a settled law that demand could not be based on conjuncture and surmises. A case of alleged clandestine clearance cannot be proved unless clandestine / surreptitious manufacture is proved. Suspicion cannot take place of evidence. Tangible evidence has to be proved by department. A case of clandestine clearance has to be proved by positive evidence. Complete corroboration is a must. No case sustains if any credible / independent evidence is not found.
- that raw materials were surreptitiously procured, excess electricity was utilized, excess labour was utilized, surreptitious / clandestine manufacture of excess quantity over and above the quantity which is cleared under invoice had taken place. DGGI has also failed to prove how alleged clandestinely cleared goods were supplied to buyers / transported to the buyer; who are the buyers. Since it is so, the Show-cause Notice deserves to be quashed and set aside and relied upon following case laws:

Vishwa Traders Pvt. Ltd. - 2012 (278) ELT 362 (TRI.-AHD). Eremium Packaging Pvt. Ltd. -2005 (184) E.L.T. 165 (Tri. - Del.)

- m. Prabhavati Sahakari Soot Girini Ltd -1990(48) E.L.T. 522 (T)
- (iii) That it was submitted before the Adjudicating Authority that this is a case of alleged clandestine clearance of ceramic tiles. It is admitted in the Show-cause Notice that ceramic tiles attract duty of Central Excise under Section 4A of the Act and not u/s. 4 of Central Excise Act, 1944. The basic difference between these two provisions are that, in case of assessment u/s. 4(supra), duty at ad-valorem basis could be calculated on the alleged amount of cash receipt because it is a case of assessment on the basis of transaction value. Whereas on the other hand, in case of section 4A(supra), MRP based assessment is required to be made. For this purpose, MRP is required to be known and then, after abatement, duty is required to be calculated. However, this exercise is not followed. Therefore, without prejudice to the fact that entire Show-cause Notice is completely baseless and all the allegations leveled against appellant are not sustainable in the eyes of law, even otherwise the demand fails.
- (iv) That the Adjudicating Authority has placed reliance on the statement of the Shroffs viz. (a) statement dated 23/12/2015 of Shri Lalit Ashumal Gangwani and (b) Statement of Shri Nitin Chikani, (c) statement of Shri Satish Patel, Broker and has concluded that cash was deposited by various buyers of ceramic tiles in the bank account of said Shroffs and said Shroffs had given cash to said Shri Satish Patel after deducting their commission and then said Shri Satish Patel in turn given cash to the appellant herein. There are absolutely no evidence which could support the entire sequence of allegation. Therefore, in this case, Adjudicating Authority was required to afford cross examination of all those people whose statements are relied upon. Since the same is not done, the impugned order deserves to be quashed and set aside.
- (v) As demand itself is wrongly confirmed in the impugned order, the demand of interest as well as imposition of penalty are equally wrong, illegal and incorrect. When the demand itself is not sustainable, no interest would be payable and no penalty could be imposed under Section

du

Page 6 of 20

11AC of the Act. Thus, the impugned order deserves to be quashed and set aside.

### Appellants No. 2 & 3:-

- (i) The entire case is mainly against the company and appellants are made co-noticee only because they were Directors of the company. The company has already filed an appeal challenging the impugned order itself. If the appeal of the company is allowed, automatically present appeals of the appellants would also be allowed. All the submissions made by the company in its appeal are equally important for the purpose of these appeals. Therefore, instead of repeating all those submissions herein and burdening this reply, appellants request to kindly consider all the submissions made by the company in their appeals.
- (ii) That no penalty could have been imposed on them as there are no specific allegations of personal gain by the appellants and there is no evidence of appellant's personal involvement in the alleged evasion of duty by the company and relied upon Order No. A/1624 to 1626/WZB/AHD dated 14.02.2017 of the Hon'ble CESTAT, Ahmedabad passed in the case of Gujarat Borosil Ltd V/s. CCE, Surat-II.
- (iii) That it is a settled law that before imposing penalty under Rule 26, it requires to be proved that they were dealing with the goods with the knowledge that they were liable for confiscation. As there is no such evidence against him, no penalty could have been even otherwise imposed on them and relied upon following case laws:
- a. A.K. Tantia reported at 2003 (158) ELT 638
- b. ITC Ltd reported at 1998 (104) ELT 151
- c. Shri Anil Bhalla reported at 2001 (138) ELT 883.
- 4.1 Hearing in the matter was held in virtual mode through video conferencing on 27.4.2022. Shri Devashish Trivedi, Advocate, appeared on behalf of all the Appellants. He reiterated the submissions made in appeal memoranda.
- 5. I have carefully gone through the facts of the case, the impugned order, the appeal memoranda and written as well as oral submissions made by the Appellants. The issue to be decided is whether the impugned order, in the facts of this case, confirming demand on Appellant No. 1 and imposing penalty on Appellants No. 1 to 3 is correct, legal and proper or not.

perusal of records, I find that an offence case was booked by the icers of Prectorate General of Central Excise Intelligence, Ahmedabad

der

against Appellant No. 1 for clandestine removal of goods. Simultaneous searches carried out at the premises of Shroff / Brokers / Middlemen situated in Rajkot and Morbi resulted in recovery of various incriminating documents indicating huge amount of cash transactions. On the basis of investigation carried out by the DGCEI, it was alleged that various Tile manufacturers of Morbi were indulged in malpractices in connivance with Shroffs / Brokers and thereby engaged in large scale evasion of Central Excise duty. During investigation, it was revealed by the investigating officers that the Tile manufacturers sold goods without payment of duty and collected sale proceeds from their buyers in cash through said Shroff/Brokers/ middlemen. As per the modus operandi unearthed by the DGCEI, it was alleged that the Tile manufacturers passed on the bank account details of the Shroffs to their buyers with instructions to deposit the cash in respect of the goods sold to them without bills into these accounts. After depositing the cash, the buyers used to inform the Tile manufacturers, who in turn would inform the Brokers or directly to the Shroffs. Details of such cash deposit along with the copies of pay-in-slips were communicated to the Tile manufacturers by the Customers. The Shroffs on confirming the receipt of the cash in their bank accounts, passed on the cash to the Brokers after deducting their commission from it. The Brokers further handed over the cash to the Tile manufacturers after deducting their commission. This way the sale proceeds was routed through Shroffs/Brokers/ middlemen.

- 7. I find from the case records that the DGCEI had covered 4 Shroffs and 4 brokers/middleman during investigation, which revealed that 186 manufacturers were routing sale proceeds of illicit transactions from the said Shroffs/Brokers/Middlemen. I find that the DGCEI has, *inter alia*, relied upon evidences collected from the premises of Shri K.N. Brothers, Rajkot and M/s Maruti Enterprise, Rajkot, both Shroffs and Shri Satish Patel, Morbi, Broker / Middleman to allege clandestine removal of goods by the Appellant herein. It is settled position of law that in the case involving clandestine removal of goods, initial burden of proof is on the Department to prove the charges. Hence, it would be pertinent to examine the said evidences gathered by the DGCEI and relied upon by the adjudicating authority in the impugned order to confirm the demand of Central Excise duty.
- 7.1. I find that during search carried out at the office premises of M/s K.N. Brothers, Rajkot, Shroff, on 22.12.2015, certain private records were seized. The said private records contained bank statements of various bank accounts operated by M/s K.N. Brothers, sample of which is reproduced in the Show Cause Notice. I find that the said bank statements contained details like particulars,

deposit amount, initiating branch code etc. Further, it was mentioned in handwritten form the name of city from where the amount was deposited and code name of concerned middleman/Broker to whom they had handed over the said cash amount.

- 7.2. I have gone through the Statement of Shri Lalit Ashumal Gangwani, Owner of M/s K.N. Brothers, Rajkot recorded on 23:12.2015 under Section 14 of the Act. In the said statement, Shri Lalit Ashumal Gangwani, *inter alia*, deposed that.

- 7.4 I have gone through the Statement of Shri Satish Patel, Morbi, recorded on 23.12.2015 under Section 14 of the Act. In the said statement, Shri Satish Patel, *inter alia*, deposed that,

- Q.8. Please explain in detail how you carry out the process of collecting/delivering cash to your clients.
- A.8. I state that I act as a middleman between Shroff and my clients who are manufacturers or traders of tiles. My clients approach me and inform that their certain amount of money has been deposited in the accounts of the Shroff i.e. M/s K.N. Brothers and M/s Ambaji Enterprises. Accordingly, I approach M/s K.N. Brothers and M/s Ambaji Enterprises to deliver the cash amount to my clients.

I further state that our Shroff, M/s K.N. Brothers and M/s Ambaji Enterprises have given me a bank account number and the said number was given by me to my clients. Accordingly, dealers/buyers of the tiles manufacturers (who are my clients) deposits the cash amount in the said account of Shroff as per the instructions of the Ceramic Tiles manufacturers. My clients then inform me about the cash deposited and the name of the city from where the amount has been deposited. And once the said amount is deposited in the account of our Shroff, my work is to receive the cash from Shroff and deliver the same to my clients. I further state that generally Shri Jayesh Solanki of M/s K. N. Brothers used to deliver the cash to me.

O-11 Give the details of cash handed over to all the above said middlemen.

A.11. I state that I have not maintained ledger account, manufacture wise or trader wise and I am not in a position to give amount of cash received from Shroff and handed over to my clients. However, I have maintained date-wise Rojmel, in loose sheets, in respect of amount of the cash received by me, for my client, from the Shroff as well as the cash delivered over to my client. Two types of Rojmel sheets have been maintained by me.

One set of Rojmel sheets having "Sunora" heading are showing the amounts received from different Shroffs for different clients during the period from 29-12-2014 to 22-08-2015. Similar sheets without any heading have been maintained for the onward period upto 21-12-2015. The first column shows the amount received from Shroff. The second column has the mention of "H" or "A" or "P" or "B" or "S" or "SBI" which represents the Bank name in whose account the cash amount has been deposited to the Shroff. I clarify that, "H" represents HDFC BANK, "A" represents AXIS BANK, "P" represents PUNJAB NATIONAL BANK, "S" or "SBI" represents STATE BANK OF INDIA, "B" represents BANK OF BARODA and so on. The third column shows the place from where the tile dealers have deposited the cash amount and the fourth column shows the name of the manufacturer of tiles or dealers of tiles and/or the name of their representative, located at Morbi to whom the cash is to be delivered. I would like to add that wherever the cash has been delivered directly to the tile manufacturer, there is a mention of "F" at the appropriate place along with the name of representative and the name of the tile manufacturer.

Second set of Rojmel sheets having the details of disbursement of cash to my clients. The first two column are in respect of Angadia transfers and do not relate to tile dealers. The third column is the amount reimbursed to the persons whose names are shown in column number four. These sheets are available with me only for the period from 01-01-2015 to 21-12-2015 as such sheets for the past period were destroyed after settlement of accounts.

To illustrate the transaction mentioned therein, the entry number 17 written in Gujarati, on the sheet for the date 29-12-2014 is reproduced below:

"41/800 P Kolkata F Bhanubhai Silvania"

I explain that "41/800" stands for Rs. 41,800/-, which has been deposited in "P" i.e. PUNJAB NATIONAL BANK account of our Shroff i.e. M/s K.N.Brothers, by the dealer/ buyer of ceramic tiles. I further explain that the said amount has been deposited from "Kolkata', Kolkata city. Further, capital letter "F" written in fourth column stands for manufacturer/ factory owner of ceramic tiles, and fifth column "Bhanubhai" stands for Shri Bhanubhai who is the representative person of the tile manufacturer. Further the last column "Silvania" stands for M/s Silvania Ceramics, Morbi, who is the tile manufacturer, for whom the cash has been sent by the dealer/ buyer. To sum up the transaction in nutshell, I explain that the above referred entry shows that on 29-12-2014, an amount of Rs. 41800/- was deposited in M/s K.N.Brother's Account (Shroff), maintained in PUNJAB NATIONAL BANK, from the dealer/ buyer of tile based at Kolkata, which is meant to be delivered to the tile manufacturer, M/s Silvania Ceramics of Morbi. The name of the responsible person of the said tile manufacturer is Shri Bhanubhai."

8. On analyzing the documentary evidences collected during search at the office premises of M/s K.N. Brothers, Rajkot, and M/s Maruti Enterprise, Rajkot,

Page 12 of 20

both Shroffs, and Shri Satish Patel, Morbi, broker/ middleman, as well as deposition made by Shri Lalit Ashumal Gangwani, owner of M/s K.N. Brothers, Shri Nitinbhai Arjanbhai Chikani, owner of M/s Maruti Enterprise, Rajkot and Shri Satish Patel in their respective Statements recorded under Section 14 of the Act, I find that customers of Appellant No. 1 had deposited cash amount in bank accounts of Shroff M/s K.N. Brothers, Rajkot and M/s Maruti Enterprise, Rajkot which was converted into cash by them and handed over to Shri Satish Patel, Broker/Middleman, who handed over the said cash amount to Appellant No. 1.

- 8.1 On examining the Statements of Shri Lalit Ashumal Gangwani, owner of M/s K.N. Brothers, Rajkot, Shri Nitinbhai Arjanbhai Chikani of M/s Maruti Enterprise, Rajkot, and Shri Satish Patel, it is apparent that the said Statements contained plethora of the facts, which are in the knowledge of the deponents only. For example, Shri Satish Patel deciphered the meaning of each and every entry written in the private records seized from his premises. He also gave details of when and how much cash was delivered to which Tile manufacturer and even concerned person who had received cash amount. He deposed that he handed over cash to Shri Dhruvbhai / Shaileshbhai of Appellant No. 1 and also gave their mobile number. It is not the case that the said Statements were recorded under duress or threat. Further, said Statements of Shri Lalit Ashumal Gangwani, Shri Nitinbhai Arjanbhai Chikani and Shri Satish Patel have not been retracted. So, veracity of deposition made in said Statements is not under dispute.
- I find that the Appellant No. 1 had devised such a modus operandi that it 8.2 was almost impossible to identify buyers of goods or transporters who transported the goods. The Appellant No. 1 used to inform M/s K.N. Brothers, Rajkot, M/s Maruti Enterprise, Shroffs, or Shri Satish Patel, Morbi, Middleman, about deposit of cash in bank accounts of Shroffs on receipt of communication from their buyers and such cash amount would reach to them through middleman/broker. When cash amount was deposited by buyers of goods in bank accounts of Shroffs, the same was not reflected in bank statements, as emerging from the records. So, there was no details of buyers available who had deposited cash amount in bank accounts of Shroff. This way the Appellant No. 1 was able to hide the identity of buyers of illicitly removed goods. It is a basic common sense that no person will maintain authentic records of the illegal activities or manufacture being done by it. It is also not possible to unearth all evidences involved in the case. The adjudicating authority is required to examine the exidences on record and decide the case. The Hon'ble High Court in the case of pational Cylinders Pvt Ltd reported at 2010 (255) ELT 68 (H.P.) has held

Page 13 of 20

that once the Department proves that something illegal had been done by the manufacturer which *prima facie* shows that illegal activities were being carried, the burden would shift to the manufacturer.

- 8.3 It is also pertinent to mention that the adjudicating authority was not conducting a trial of a criminal case, but was adjudicating a Show Cause Notice as to whether there has been clandestine removal of excisable goods without payment of excise duty. In such cases, preponderance of probabilities would be sufficient and case is not required to be proved beyond reasonable doubt. I rely on the Order passed by the Hon'ble CESTAT, Bangalore passed in the case of Ramachandra Rexins Pvt. Ltd. reported as 2013 (295) E.L.T. 116 (Tri. Bang.), wherein it has been held that,
  - "7.2 In a case of clandestine activity involving suppression of production and clandestine removal, it is not expected that such evasion has to be established by the Department in a mathematical precision. After all, a person indulging in clandestine activity takes sufficient precaution to hide/destroy the evidence. The evidence available shall be those left in spite of the best care taken by the persons involved in such clandestine activity. In such a situation, the entire facts and circumstances of the case have to be looked into and a decision has to be arrived at on the yardstick of 'preponderance of probability' and not on the yardstick of 'beyond reasonable doubt', as the decision is being rendered in quasi-judicial proceedings."
- 8.4 I also rely on the Order passed by the Hon'ble Tribunal in the case of A.N. Guha & Co. reported in 1996 (86) E.L.T. 333(Tri.), wherein it has been held that,

"In all such cases of clandestine removal, it is not possible for the Department to prove the same with mathematical precision. The Department is deemed to have discharged their burden if they place so much of evidence which, prima facie, shows that there was a clandestine removal if such evidence is produced by the Department. Then the onus shifts on to the Appellants to prove that there was no clandestine removal".

9. After careful examination of evidences available on record in the form of documentary evidences as well as oral evidence, I am of the considered opinion that the Department has discharged initial burden of proof for alleging clandestine removal of goods and the burden of proof shifts to the assessee to establish by independent evidence that there was no clandestine removal and the assessee cannot escape from the rigour of law by picking loopholes in the evidences placed by the Department. I rely on the decision rendered by the

Page 14 of 20

Hon'ble Madras High Court in the case of Lawn Textile Mills Pvt. Ltd. reported as 2018 (362) E.L.T. 559 (Mad.), wherein it has been held that,

"30. The above facts will clearly show that the allegation is one of clandestine removal. It may be true that the burden of proving such an allegation is on the Department. However, clandestine removal with an intention to evade payment of duty is always done in a secret manner and not as an open transaction for the Department to immediately detect the same. Therefore, in case of clandestine removal, where secrecies involved, there may be cases where direct documentary evidence will not be available. However, based on the seized records, if the Department is able to prima facie establish the case of clandestine removal and the assessee is not able to give any plausible explanation for the same, then the allegation of clandestine removal has to be held to be proved. In other words, the standard and degree of proof, which is required in such cases, may not be the same, as in other cases where there is no allegation of clandestine removal."

- 10. The Appellant No. 1 has contended that since adjudicating authority denied cross examination of witnesses whose Statements were relied upon, the impugned order deserves to be set aside. In this regard I find that the Appellant No. 1 had sought cross examination of Shri Jayesh Solanki and Shri Lalit Ashumal Gangwani of M/s K.N. Brothers and Shri Satish Patel during the course of adjudication. The adjudicating authority denied the request of cross examination by observing at para 19.2 of the impugned order as under:
  - "19.2 Further, as discussed above, all the witnesses have admitted their respective role in this case, under Section 14 of the Central Excise Act, 1944, voluntarily, which is binding on them and relied upon in the case of the noticee. Further, I find that all the witnesses have not retracted their statements. Therefore, the same are legal and valid pieces of evidence in the eyes of law. It is a settled legal position that cross examination is not required to be allowed in all cases. The denial of opportunity of cross-examination does not vitiate the adjudication proceedings. The adjudicating authority was not conducting a trial of a criminal case, but was adjudicating a SCN as to whether there has been clandestine removal of excisable goods without payment of duty. I find that the Noticee has not provided any independent evidence to show that there was no clandestine removal. In this regard, I place reliance upon the judgement of Hon'ble High Court of Madras in the case of Commissioner of Central Excise Salem Vs M/s Erode Annai Spinning Mills (Pvt.) Ltd, reported at 2019 (366) ELT647, wherein it was held that where opportunity of cross examination was not allowed, the entire proceedings will

be vitiated. ... ..."

I find that none of the Statements of Shroff/ Middleman/Broker recorded during investigation have been retracted nor there is any allegation of duress or threat during recording of Statements. Further, Shroff/Middleman/broker have no reason to depose before the investigating officers something which is contrary to facts. It is also pertinent to mention that the present case was not one off case involving clandestine removal of goods by Tile manufacturers of Morbi. It is on record that DGCEI had simultaneously booked offence cases against 186 such manufacturers for evasion of Central Excise duty who had adopted similar modus operandi by routing sale proceeds of illicitly cleared finished goods through Shroffs / Middleman/brokers. It is also on records that out of said 186 manufacturers, 61 had admitted and had also paid duty evaded by them. So, the documentary evidences gathered by the investigating officers from the premises of Shroffs / middleman contained trails of illicitly removed goods and preponderance of probability is certainly against Appellant No. 1. It has been consistently held by the higher appellate fora that cross examination is not mandatory and it depends on facts of each and every case. I rely on the decision rendered by the Hon'ble Bombay High Court in the case of Patel Engineering Ltd reported as 2014 (307) E.L.T. 862 (Born.), wherein it has been held that,

- "23. Therefore, we are of the opinion that it will not be correct to hold that irrespective of the facts and circumstances and in all inquiries, the right of cross examination can be asserted. Further, as held above which rule or principle of natural justice must be applied and followed depends upon several factors and as enumerated above. Even if there is denial of the request to cross examine the witnesses in an inquiry, without anything more, by such denial alone, it will not be enough to conclude that principles of natural justice have been violated. Therefore, the judgments relied upon by Shri Kantawala must be seen in the factual backdrop and peculiar circumstances of the assessee's ease before this Court."
- 10.2 By following the above decision and considering the facts of the case, I hold that the adjudicating authority has not erred by not acceding request for cross examination of the witnesses, as sought by Appellant No. 1.
- 11. The Appellant has contended that a case of alleged clandestine clearance cannot be proved unless clandestine / surreptitious manufacture is proved. In the present case, no statement of any of buyers, transporters who transported raw materials and finished goods etc. have been recorded. No investigation was conducted to prove that raw materials were surreptitiously procured, excess electricity was utilized, excess labour was utilized, surreptitious / clandestine

Page 16 of 20

manufacture of excess quantity over and above the quantity which is cleared under invoice had taken place. It is settled position of law that in absence of such evidences, grave allegations of clandestine removal cannot sustain and relied upon various case laws.

11.1 I find that the investigating officers gathered evidences from the premises of M/s K.N. Brothers, Rajkot, M/s Maruti Enterprise, Rajkot, Shroffs, or Shri Satish Patel, Morbi, Middleman, which indicted that Appellant No. 1 routed sales proceeds of illicitly removed goods through the said Middleman/Broker. The said evidences were corroborated by the depositions made by Shri Lalit Ashumal Gangwani, Owner of M/s K.N. Brothers, Rajkot, Shri Nitinbhai Arjanbhai Chikani, owner of M/s Maruti Enterprise, Rajkot and Shri Satish Patel, Morbi, during the course of adjudication. Further, as discussed supra, Appellant No. 1 had devised such a modus operandi that it was almost impossible to identify buyers of goods or transporters who transported the goods. In catena of decisions, it has been held that in cases of clandestine removal, it is not possible to unearth all the evidences and Department is not required to prove the case with mathematical precision. I rely on the Order passed by the Hon'ble CESTAT, Ahmedabad in the case of Apurva Aluminium Corporation reported at 1996 (261) E.L.T. 515 (Tri. Ahmd.), wherein at Para 5.1 of the order, the Tribunal has held that,

"Once again the onus of proving that they have accounted for all the goods produced, shifts to the appellants and they have failed to discharge this burden. They want the department to show challanwise details of goods transported or not transported. There are several decisions of Hon'ble Supreme Court and High Courts wherein it has been held that in such clandestine activities, only the person who indulges in such activities knows all the details and it would not be possible for any investigating officer to unearth all the evidences required and prove with mathematical precision, the evasion or the other illegal activities".

12. In view of above, the various contentions raised by Appellant No. 1 are of no help to them and they have failed to discharge the burden cast on them that they had not indulged in clandestine removal of goods. On the other hand, the Department has adduced sufficient oral and documentary corroborative evidences to demonstrate that Appellant No. 1 indulged in clandestine removal of goods and evaded payment of Central Excise duty. 1, therefore, hold that confirmation of demand of Central Excise duty amount of Rs. 42,10,655/- by the adjudicating authority is correct, legal and proper. Since demand is confirmed, is natural consequence that the confirmed demand is required to be paid

along with interest at applicable rate under Section 11AA of the Act. I, therefore, uphold order to pay interest on confirmed demand.

- 13. The Appellant has contended that Tiles were assessed under Section 4A of the Act and duty was payable on the retail sale price declared on the goods after allowing abatement and not under Section 4 of the Act. For this purpose, MRP is required to be known and then, after abatement, duty is required to be calculated. However, this exercise is not followed. Therefore, entire demand raised under Section 4 of the Act in the Show Cause Notice is completely baseless and all the allegations leveled against appellant are not sustainable in the eyes of law.
- 13.1 I find it is pertinent to examine the provisions contained in Section 4A of the Act, which are reproduced as under:

"Section 4A. Valuation of excisable goods with reference to retail sale price.-

- (1) The Central Government may, by notification in the Official Gazette, specify any goods, in relation to which it is required, under the provisions of the [Legal Metrology Act, 2009 (1 of 2010)] or the rules made thereunder or under any other law for the time being in force, to declare on the package thereof the retail sale price of such goods, to which the provisions of subsection (2) shall apply.
- (2) Where the goods specified under sub-section (1) are excisable goods and are chargeable to duty of excise with reference to value, then, notwithstanding anything contained in section 4, such value shall be deemed to be the retail sale price declared on such goods less such amount of abatement, if any, from such retail sale price as the Central Government may allow by notification in the Official Gazette."
- 13.2 I find that in terms of the Legal Metrology Act, 2009, retail sale price is required to be declared on packages when sold to retail customers. This would mean that when goods are sold to customers, other than retail customers, like institutional customers, the provisions of Legal Metrology Act, 2009 would not be applicable.
- 13.3 On examining the present case in backdrop of above provisions, I find that Appellant No. 1 has not produced any evidences that the goods were sold to retail customers. Further, as discussed above, Appellant No.1 had adopted such a modus operandi that identity of buyers could not be ascertained during investigation. Since, applicability of provisions contained in Legal Metrology Act, 2009 itself is not confirmed, it is not possible to extend benefit of abatement under section 4A of the Act. Even if it is presumed that all the goods sold by

Page 18 of 20

Appellant No.1 were to retail customers then also what was realised through Shroff/Middleman cannot be considered as MRP value for the reason that in cases when goods are sold through dealers, realised value would be less than MRP value since dealer price is always less than MRP price.

- of goods and routed the cash through Shroff/Middleman/Broker. The modus operandi adopted by Appellant No. 1 was unearthed during investigation carried out against them by DGCEI, Ahmedabad. Thus, this is a clear case of suppression of facts with intent to evade payment of duty. The adjudicating authority was justified in invoking extended period of limitation on the grounds of suppression of facts. Since extended period of limitation on the grounds of suppression of facts was correctly invoked, penalty under Section 11AC of the Act is mandatory, as has been held by the Hon'ble Supreme Court in the case of Rajasthan Spinning & Weaving Mills reported as 2009 (238) E.L.T. 3 (S.C.), wherein it is held that when there are ingredients for invoking extended period of limitation for demand of duty, imposition of penalty under Section 11AC is mandatory. The ratio of the said judgment applies to the facts of the present case. I, therefore, uphold penalty of Rs. 42,10,655/- imposed under Section 11AC of the Act.
- 15. Regarding penalty imposed upon Appellant Nos. 2 & 3 under Rule 26 of the Rules, I find that Appellants No. 2 & 3 were Directors of Appellant No. 1 and were looking after day-to day affairs of Appellant No.1 and were the key persons of Appellant No. 1 and were directly involved in clandestine removal of the goods manufactured by Appellant No. 1 without payment of Central Excise duty and without cover of Central Excise Invoices. They were found concerned in clandestine manufacture and removal of such goods and hence, they were knowing and had reason to believe that the said goods were liable to confiscation under the Act and the Rules. I, therefore, find that imposition of penalty of Rs. 5,00,000/- each upon Appellants No. 2 & 3 under Rule 26(1) of the Rules is correct and legal.
- 16. In view of above, I uphold the impugned order and reject appeals of Appellant Nos. 1 to 3.
- 17. अपीलकर्ताओं द्वारा दर्ज की गई अपीलों का निपटारा उपरोक्त तरीके से किया जाता है।
- 17. The appeals filed by the Appellants are disposed off as above.
