ORDER-IN-APPEAL

The below mentioned appeals have been filed by the Appellants (*hereinafter referred to as 'Appellant No. 1 to Appellant No. 5'*, as detailed in Table below) against Order-in-Original No. 9/BB/AC/MRB-II/2021-22 dated 12.05.2021 (*hereinafter referred to as 'impugned order'*) passed by the Assistant Commissioner, Central GST, Division, Morbi-II (*hereinafter referred to as 'adjudicating authority'*).

Sl. No.	Appeal No.	Appellants	Name & Address of Appellants
1.	V2/409/RAJ/2021	Appellant No.1	M/s Morbi Ceramic Pvt. Ltd. 8-A National Highway, Lakhdirpur Road, Morbi-363642 Gujrat.
2.	V2/410/RAJ/2021	Appellant No.2	Shri Nathalal Chhaganbhai Bavarva, Director, M/s. Morbi Ceramic Pvt. Ltd, Morbi
3.	V2/411/RAJ/2021	Appellant No.3	Shri Jayprakash Nathalal Bavarva, Director, M/s. Morbi Ceramic Pvt. Ltd., Morbi.
4.	V2/412/RAJ/2021	Appellant No.4	Smt. Shardaben Nathalal Bavarva, Director, M/s. Morbi Ceramic Pvt. Ltd., Morbi.
5.	V2/413/RAJ/2021	Appellant No.5	Smt. Geetaben J. Bavarva, Director, M/s. Morbi Ceramic Pvt. Ltd., Morbi.

2. The facts of the case, in brief, are that the Appellant was engaged in manufacture of Ceramic Floor and Wall Tiles falling under Chapter No. 69 of the Central Excise Tariff Act, 1985 and was holding Central Excise Registration No. AADCM3416GXM001. Intelligence gathered by the officers of Directorate General of Central Excise Intelligence, Zonal Unit, Ahmedabad (DGCEI) indicated that various Tile manufacturers of Morbi were indulging in malpractices in connivance with Shroffs / Brokers and thereby engaged in large scale evasion of Central Excise duty. Simultaneous searches were carried out on 22.12.2015 at the premises of Shroffs in Rajkot and Morbi and various incriminating documents were seized. On scrutiny of said documents and Statements tendered by the said Shroffs, it was revealed that huge amounts of cash were deposited from all over India into bank accounts managed by said Shroffs and such cash amounts were passed on to Tile Manufacturers.

2.1 Investigation carried out revealed that the Shroffs opened bank accounts in the names of their firms and passed on the bank account details to the Tile manufacturers. The Tile manufacturers further passed on the bank account

details to their customers/ buyers with instructions to deposit the cash in respect of the goods sold to them without bills into these accounts. After depositing the cash, the customers used to inform the Tile manufacturers, who in turn would inform to the Shroff. Details of such cash deposit alongwith the copies of pay-in-slips were communicated to the manufacturers by the Customers. The Shroffs on confirming the receipt of the cash in their bank accounts, passed on the cash to the Tile manufacturers after deducting their commission. This way the sale proceeds of an illicit transaction was routed from buyers of goods to Tile manufacturers.

2.2 During scrutiny of documents seized from the office premises of M/s National Enterprise, Morbi, Shroff, it was revealed that the said Shroff had received total amount of Rs. 89,17,050/- in their bank accounts during the period from March-2015 to December-2015, which were passed on to the Appellant in cash. The said amount was alleged to be sale proceeds of goods removed clandestinely by the Appellant.

3. Show Cause Notice No. DGGI/AZU/Group-B/36-196/2019-20 dated 27.02.2020 was issued to the Appellant calling them to show cause as to why Central Excise duty amounting to Rs. 11,14,638/- should not be demanded and recovered from them under proviso to Section 11A(4) of the erstwhile Central Excise Act, 1944 (*hereinafter referred to as "Act"*) alongwith interest under Section 11AA of the Act and also proposing imposition of penalty under Section 11AC of the Act and fine in lieu of confiscation under Section 34 of the Act. The Show Cause Notice also proposed imposition of penalty upon Appellant Nos. 2 to 5 under Rule 26(1) of the Central Excise Rules, 2002 (*hereinafter referred to as "Rules"*).

3.1 The above said Show Cause Notice was adjudicated vide the impugned order wherein the demand of Central Excise duty amounting to Rs. 11,14,638/- was confirmed under Section 11A(4) along with interest under Section 11AA of the Act. The impugned order imposed penalty of Rs. 11,14,638/- under Section 11AC of the Act upon the Appellant with option of reduced penalty as envisaged under provisions of Section 11AC of the Act. The impugned order imposed penalty of Rs. 75,000/- each upon Appellant Nos. 2 to 5 under Rule 26(1) of the Rules.

4. Being aggrieved with the impugned order, Appellant Nos. 1 to 5 have preferred appeals on various grounds, *inter alia*, as below:-

due

Appellant No. 1:-

- (i) The adjudicating authority has relied upon Statements of Shroff, Middleman/Broker while confirming the demand raised in the show cause notice. However, the adjudicating authority has passed the order without allowing cross examination of Departmental witnesses in spite of specific request made for the same. It is settled position of law that any statement recorded under Section 14 of the Central Excise Act, 1944 can be admitted as evidence only when its authenticity is established under provisions of Section 9D(1) of the Act and relied upon following case laws:
- (a) J.K. Cigarettes Ltd. Vs. CCE - 2009 (242) ELT 189 (Del).
 - (b) Jindal Drugs Pvt Ltd -2016 (340) E.L.T. 67 (P & H)
 - (c) Ambika International - 2018 (361) E.L.T. 90 (P & H)
 - (d) G-Tech Industries - 2016 (339) E.L.T. 209 (P & H)
 - (e) Andaman Timber Industries -2015-TIOL-255-SC-CX
 - (f) Parmarth Iron Pvt. Ltd - 2010 (255) E.L.T. 496 (All.)
- (ii) In view of the provisions of Section 9D of the Central Excise Act, 1944 and settled position of law by way of above referred judgments, since cross examination of departmental witnesses were not allowed their statements cannot be relied upon while passing the order and determining the duty amount payable by it. Especially when, there is no other evidence except so called oral evidences in the form of those statements and un-authenticated third party private records. Therefore, in view of the above, impugned order passed by the learned Assistant Commissioner is liable to be set aside on this ground too.
- (iii) That the adjudicating authority has not neutrally evaluated the evidences as well as submission made by it but heavily relied upon the general statements of Shroff and private records of M/s National Enterprise, Morbi reproduced in the SCN. He has not seen that Shri Jayprakashbhai Bavarva, Director of Appellant, has filed affidavit dated 3.9.2020 to the effect that they have not manufactured and cleared goods mentioned in the SCN without invoice and without payment of duty of excise; that they have not received any cash as mentioned in SCN from any person.
- (iv) That the adjudicating authority based on the scan copy of certain bank accounts of Shroff and scan copy of private records of middleman/broker and general statements of Shroff and

middleman/broker tried to discard vital discrepancies raised by the appellant without any cogent grounds. There is no link between the bank accounts of Shroff and private records of middleman/broker. Therefore, in absence of receipt of cash by the Shroff, link of such payment to middleman/broker and payment of cash to appellant, it is erroneous to uphold the allegations against appellant. He not only failed to judge the allegations, documentary evidences and defence neutrally but also failed as quasi-judicial authority and following principal of natural justice by passing speaking order as well as following judicial discipline too. Therefore, impugned order passed by him is liable to be set aside on this ground too.

- (v) That in the entire case except for so called evidences of receipt of money from the buyers of tiles that too without identity of buyers of the goods as well as identity of receiver of such cash from the middleman, no other evidence of manufacture of tiles, procurement of raw materials including fuel and power for manufacture of tiles; deployment of staff, manufacture, transportation of raw materials as well as finished goods, payment to all including raw material suppliers, transporters etc. in cash, no inculpatory statement of manufacturer viz. appellant, no statement of any of buyer, no statement of transporters who transported raw materials, who transported finished goods etc. are relied upon or even available. It is settled position of law that in absence of such evidences, grave allegations clandestine removal cannot sustain. It is also settled position of law that grave allegation of clandestine removal cannot sustain on the basis of assumption and presumption and relied upon following case laws:

- (a) Synergy Steels Ltd.- 2020 (372) ELT 129 (Tri. - Del.)
 (b) SavitriConcast Ltd. - 2015 (329) ELT 213 (Tri. - Del.)
 (c) Aswani& Co. - 2015 (327) ELT 81 (Tri. - Del.)
 (d) Shiv Prasad Mills Pvt. Ltd. - 2015 (329) ELT 250 (Tri. - Del.)
 (e) Shree Maruti Fabrics - 2014 (311) ELT 345 (Tri. - Ahmd.)

- (vi) That it is not a matter of dispute that Tiles were notified at Sr. No. 58 and 59 under Notification No. 49/2008-C.E.(N.T.) dated 24.12.2008 as amended issued under Section 4A of the Central Excise Act, 1944. Accordingly, as provided under Section 4A ibid duty of excise was payable on the retail sale price declared on the goods less permissible abatement @ 45%. Thus, duty of excise was payable @ 12.36% (upto 28.02.2015) and @ 12.50% with effect from 01.03.2015 on the 55% of retail sale price (RSP/MRP) declared on the goods/packages. That the investigation has nowhere made any attempt to find out actual

quantity of tiles manufactured and cleared clandestinely. No attempt was made to know whether goods were cleared with declaration of RSP/MRP or without declaration of RSP/MRP on the goods/packages. There is no evidence adduced in the impugned show cause notice about any case booked by the metrology department of various states across India against appellant or other tile manufacturers that goods were sold by it without declaring RSP/MRP. Though there is no evidence of manufacture and clearance of goods that too without declaration of RSP/MRP it is not only alleged but also duty is assessed considering the so called alleged realised value as abated value without any legal backing. Neither Section 4A ibid nor rules made there under provides like that to assess duty by taking realised value or transaction value as abated value and the investigation has failed to follow the said provisions. Therefore, sake of argument it is presumed that if RSP/MRP was not declared on packages then also it has to be determined in the prescribed manner i.e. as per Section 4A(4) read with Rule 4(i) of Central Excise (Determination of Retail Sale Price of Excisable Goods) Rules, 2008 and not by any other manner. As per the said provisions, highest of the RSP/MRP declared on the goods during the previous or succeeding months is to be taken for the purpose of assessment and in absence of other details of quantity etc. such realised value duty cannot be quantified. In any case duty has to be calculated after allowing abatement @ 45%.

- (vii) That all the allegations are baseless and totally unsubstantiated, therefore, question of alleged suppression of facts etc. also does not arise. None of the situation suppression of facts, wilful mis-statement, fraud, collusion etc. as stated in Section 11A(4) of the Central Excise Act, 1944 exists in the instant case but it is alleged suppression of facts in the impugned notice based on the above referred general allegation.

Appellant Nos. 2 to 5:-

- (i) Their firm has already filed appeal against the impugned order as per the submission made therein contending that impugned order is liable to be set aside *in limine* and therefore, order imposing penalty upon them is also liable to be set aside.
- (ii) That it is a settled position of law that for imposition of penalty under Rule 26, inculpatory Statement of concern person must be recorded by the investigation. However, in the present case, no

statement was recorded during investigation and hence, no penalty can be imposed under Rule 26.

- (iii) That no penalty is imposable upon them under Rule 26(1) of the Central Excise Rules, 2002, as there is no reason to believe on their part that goods were liable to confiscation.
- (iv) That there is no single documentary evidence to sustain the allegations; that the seized documents are not at all sustainable as evidence for the reasons detailed in reply filed by the Appellant No. 1. Investigating officers has not recorded statement of any buyers, transporter, supplier etc. Allegation of clandestine manufacture and removal of goods itself is fallacious.
- (v) That even duty demand has been worked out based on adverse inference drawn by investigation from the seized documents which itself are not sustainable evidence for various reasons discussed by their firm i.e. Appellant No.1 in their reply; that under the given circumstances no penalty can be imposed upon them under Rule 26 ibid and relied upon the following caselaws:
 - (a) Manoj Kumar Pani - 2020 (260) ELT 92 (Tri. Delhi)
 - (b) Aarti Steel Industries - 2010 (262) ELT 462 (Tri. Mumbai)
 - (c) Nirmal Inductomelt Pvt. Ltd. - 2010 (259) ELT 243 (Tri. Delhi)
- (vi) In view of above, no penalty is imposable upon them under Rule 26 of the Central Excise Rules, 2002.

5. Personal Hearing in the matter was scheduled on 25.8.2022. Shri P. D. Rachchh, Advocate, appeared on behalf of Appellant Nos. 1 to 5. He reiterated the submissions made in appeal memorandum as well as those made in synopsis submitted by him. He stated that middleman Shri Nashir Ali had not given name of Morbi Ceramic Pvt Ltd or any one from M/s Morbi Ceramic Pvt Ltd in his statement. In absence of any oral evidence entries with "Khandvi Balaji", "Pinjor Balaji", "Sunil" etc. attributed to M/s Morbi Ceramic Pvt Ltd is erroneous and therefore, appeals may be allowed.

6. I have carefully gone through the facts of the case, the impugned order, the appeal memorandum and written as well as oral submissions made by the Appellant. The issue to be decided is whether the impugned order, in the facts of this case, confirming demand of Rs. 11,14,638/- under Section 11A(4) of the Act and imposing penalty on Appellant Nos. 1 to 5 is correct, legal and proper or not.

7. On perusal of records, I find that an offence case was booked by the officers of Directorate General of Central Excise Intelligence, Ahmedabad

dy

against the Appellant for clandestine removal of goods. I find from the case records that the DGCEI had covered 4 Shroffs and 4 brokers/middlemen during investigation, which revealed that 186 manufacturers were routing sale proceeds of illicit transactions from the said Shroffs/Brokers/Middlemen. I find that the DGCEI has relied upon evidences collected from the premises of M/s National Enterprise, Morbi, Shroff to allege clandestine removal of goods by the Appellant herein. It is settled position of law that in the case involving clandestine removal of goods, initial burden of proof is on the Department to prove the charges. Hence, it would be pertinent to examine the said evidences gathered by the DGCEI and relied upon by the adjudicating authority in the impugned order to confirm the demand of Central Excise duty.

8. I find that during search carried out at the office premises of M/s National Enterprise, Morbi, Shroff, on 22.12.2015, certain private records were seized. The said private records, *inter alia*, contained bank statements of various bank accounts operated by M/s National Enterprise, Morbi.

8.1. I have gone through the Statement of Shri Nashirali Amirali Dharani, Proprietor of M/s National Enterprise, Morbi, recorded on 22.12.2015 under Section 14 of the Act. In the said statement, Shri Nashirali Amirali Dharani, *inter alia*, deposed that,

“Q.1: Please explain the business activities of M/s. National Enterprise, Morbi.

A.1: M/s. National Enterprise, Morbi is running business as a Shroff since Sept, 2014. I am handling all the work of the firm including Accounts, Banking & Taxation. I am handling the account of M/s. National Enterprise. The said account number of my firm is being given to the interested Tiles Manufacturers/Traders, and said interested Tiles Manufacturers/Traders subsequently conveyed the same to their customers for depositions of cash into the said account. Accordingly, the customers of Morbi based Ceramic Tiles Manufacturers/Traders deposit the cash into my aforesaid account through Paying Slips. Subsequently, the images of said paying slips were sent by the customers to their respective manufacturers/traders through whatsapp, and the said whatsapp images are being shown to me by the representative of concerned manufacturers/traders to collect the amount, deposited by their customers. We verify the same from our online bank account statement. After such verification, we withdraw the cash from the said bank account and release the amount to the concerned manufacturers/traders. For this work, we generally charge Commission ranging from 0.30% to 0.40% of the amount, so deposited from the concerned Manufacturers/Traders. I further state that we do not issue any cheque to any manufacturers/traders during such transactions.

Q.2 Can you identify the customer who are depositing the amount from various parts of India in your Bank Account ?

A.2 No, I am not aware about the name & address of the customers who are depositing the amount from the various parts of India in my bank account. manufacturer / traders in Morbi brings the details of amount deposited in my

dsr

bank account on verification of the deposit of such amount, on the next day, after withdrawal of cash I use to pay them.

Q.3: Please peruse the Panchnama dated 22.12.2015 drawn at your residential/office premises of M/s. National Enterprise, Morbi, and offer your comments thereon.

A.3: I have carefully gone through the Panchnama dated 22.12.2015 drawn at my residential/office premises of M/s. National Enterprise, Morbi, and I put my dated signature thereon in token of having agreed with the facts, narrated therein. I remained present during the whole proceedings of the panchnama."

9. On analyzing the documentary evidences collected during investigation from M/s National Enterprise, Morbi, as well as deposition made by Shri Nashirali Amirali Dharani, Proprietor of M/s National Enterprise, Morbi in his Statement recorded under Section 14 of the Act, I find that customers of the Appellant had deposited cash amount in bank accounts of M/s National Enterprise, Morbi, which was converted into cash by them and handed over the said cash amount to the Appellant. On examining the Statement of Shri Nashirali Amirali Dharani, Proprietor of M/s National Enterprise, Morbi, it is apparent that the said Statement contained plethora of the facts, which were in the knowledge of the deponent only. For example, Shri Nashirali Amirali Dharani deciphered the meaning of each and every entry written in his private records. He also gave details of when and how much cash was delivered to which Tile manufacturers and even concerned persons who had received cash amount. It is not the case that the said Statement was recorded under duress or threat. Further, said Statement has not been retracted. So, veracity of deposition made in said Statement and information contained in seized documents is not under dispute.

9.1 I find that the Appellant had devised such a *modus operandi* that it was almost impossible to identify buyers of goods or transporters who transported the goods. The Appellant used to inform M/s National Enterprise, Morbi, Shroff, about deposit of cash in bank accounts of Shroff on receipt of communication from their buyers and such cash amount would reach to them from the said Shroff. When cash amount was deposited by buyers of goods in bank accounts of Shroff, the same was not reflected in bank statements, as emerging from the records. So, there was no details of buyers available who had deposited cash amount in bank accounts of Shroff. This way the Appellant was able to hide the identity of buyers of illicitly removed goods. It is a basic common sense that no person will maintain authentic records of the illegal activities or manufacture being done by it. It is also not possible to unearth all evidences involved in the case. The adjudicating authority is required to examine the evidences on record and decide the case. The Hon'ble High Court in the case of International

Cylinders Pvt Ltd reported at 2010 (255) ELT 68 (H.P.) has held that once the Department proves that something illegal had been done by the manufacturer which *prima facie* shows that illegal activities were being carried, the burden would shift to the manufacturer.

9.2 It is also pertinent to mention that the adjudicating authority was not conducting a trial of a criminal case, but was adjudicating a Show Cause Notice as to whether there has been clandestine removal of excisable goods without payment of excise duty. In such cases, preponderance of probabilities would be sufficient and case is not required to be proved beyond reasonable doubt. I rely on the Order passed by the Hon'ble CESTAT, Bangalore in the case of Ramachandra Rexins Pvt. Ltd. Reported as 2013 (295) E.L.T. 116 (Tri. - Bang.), wherein it has been held that,

“7.2 In a case of clandestine activity involving suppression of production and clandestine removal, it is not expected that such evasion has to be established by the Department in a mathematical precision. After all, a person indulging in clandestine activity takes sufficient precaution to hide/destroy the evidence. The evidence available shall be those left in spite of the best care taken by the persons involved in such clandestine activity. In such a situation, the entire facts and circumstances of the case have to be looked into and a decision has to be arrived at on the yardstick of ‘preponderance of probability’ and not on the yardstick of ‘beyond reasonable doubt’, as the decision is being rendered in quasi-judicial proceedings.”

9.3 I also rely on the Order passed by the Hon'ble Tribunal in the case of A.N. Guha & Co. reported in 1996 (86) E.L.T. 333(Tri.), wherein it has been held that,

“In all such cases of clandestine removal, it is not possible for the Department to prove the same with mathematical precision. The Department is deemed to have discharged their burden if they place so much of evidence which, *prima facie*, shows that there was a clandestine removal if such evidence is produced by the Department. Then the onus shifts on to the Appellants to prove that there was no clandestine removal”.

10. After careful examination of evidences available on record in the form of documentary evidences as well as oral evidence, I am of the considered opinion that the Department has discharged initial burden of proof for alleging clandestine removal of goods and the burden of proof shifts to the assessee to establish by independent evidence that there was no clandestine removal and the assessee cannot escape from the rigour of law by picking loopholes in the

evidences placed by the Department. I rely on the decision rendered by the Hon'ble Madras High Court in the case of Lawn Textile Mills Pvt. Ltd. Reported as 2018 (362) E.L.T. 559 (Mad.), wherein it has been held that,

“30. The above facts will clearly show that the allegation is one of clandestine removal. It may be true that the burden of proving such an allegation is on the Department. However, clandestine removal with an intention to evade payment of duty is always done in a secret manner and not as an open transaction for the Department to immediately detect the same. Therefore, in case of clandestine removal, where secrecies involved, there may be cases where direct documentary evidence will not be available. However, based on the seized records, if the Department is able to *prima facie* establish the case of clandestine removal and the assessee is not able to give any plausible explanation for the same, then the allegation of clandestine removal has to be held to be proved. In other words, the standard and degree of proof, which is required in such cases, may not be the same, as in other cases where there is no allegation of clandestine removal.”

11. The Appellant has contended that since cross examination of Departmental witness was not allowed, his statement cannot be relied upon while passing the order and determining the duty amount payable by it. In this regard, I find that the Appellant had sought cross examination of Shri Nashirali Amirali Dharani, Proprietor of M/s National Enterprise, Morbi during the course of adjudication. The adjudicating authority denied the request of cross examination by observing in the impugned order, *inter alia*, as under:

“20.2 Further, as discussed above, the witnesses have admitted their respective role in this case, under Section 14 of the Central Excise Act, 1944, voluntarily, which is binding on them and relied upon in the case of the noticee. Further, I find that all the witnesses have not retracted their statement. Therefore, the same are legal and valid pieces of evidence in the eyes of law. It is a settled legal position that cross examination is not required to be allowed in all cases. The denial of opportunity of cross-examination does not vitiate the adjudication proceedings. The adjudicating authority was not conducting a trial of a criminal case, but was adjudicating a SCN as to whether there has been clandestine removal of excisable goods without payment of duty. I find that the Noticee has not provided any independent evidence to show that there was no clandestine removal. In this regard, I place reliance upon the judgement of Hon'ble High Court of Madras in the case of Commissioner of Central Excise Salem Vs M/s Erode Annai Spinning Mills (Pvt.) Ltd, reported at 2019 (366) ELT647, wherein it was held that where opportunity of cross examination was not allowed, the entire proceedings will

des

not be vitiated.

11.1 I find that Statement of Shri Nashirali Amirali Dharani, Proprietor of M/s National Enterprise, Morbi, Shroff recorded during investigation has not been retracted nor there is any allegation of duress or threat during recording of his Statement. Further, said Shroff has no reason to depose before the investigating officers something which is contrary to facts. It is also pertinent to mention that the present case was not one off case involving clandestine removal of goods by Tile manufacturers of Morbi. It is on record that DGCEI had simultaneously booked offence cases against 186 such manufacturers for evasion of Central Excise duty who had adopted similar *modus operandi* by routing sale proceeds of illicitly cleared finished goods through Shroffs / Middlemen/brokers. It is also on records that out of said 186 manufacturers, 61 had admitted the allegations and had also paid duty evaded by them. So, the documentary evidences gathered by the investigating officers from the premises of Shroffs / middlemen contained trails of illicitly removed goods and preponderance of probability is certainly against The Appellant. It has been consistently held by the higher appellate authority that cross examination is not mandatory and it depends on facts of each and every case. I rely on the decision rendered by the Hon'ble Bombay High Court in the case of Patel Engineering Ltd reported as 2014 (307) E.L.T. 862 (Bom.), wherein it has been held that,

“23. Therefore, we are of the opinion that it will not be correct to hold that irrespective of the facts and circumstances and in all inquiries, the right of cross examination can be asserted. Further, as held above which rule or principle of natural justice must be applied and followed depends upon several factors and as enumerated above. Even if there is denial of the request to cross examine the witnesses in an inquiry, without anything more, by such denial alone, it will not be enough to conclude that principles of natural justice have been violated. Therefore, the judgments relied upon by Shri Kantawala must be seen in the factual backdrop and peculiar circumstances of the assessee's case before this Court.”

11.2 By following the above decision and considering the facts of the case, I hold that the adjudicating authority has not erred by not acceding request for cross examination of the witness, as sought by the Appellant.

12. The Appellant has also contended that the adjudicating authority relied upon the Statements of Shroff as well as private records seized from the premises of M/s National Enterprise, Morbi reproduced in the SCN but ignored that Shri Jayprakashbhai Bavarva, Director of Appellant, has filed affidavit dated 3.9.2020 to the effect that they have not manufactured and cleared goods mentioned in the SCN without invoice and without payment of duty of excise; that they have not received any cash as mentioned in SCN from any person.

12.1. I have gone through the Affidavit dated 3.9.2020 filed by Shri Jayprakashbhai Bavarva, Appellant No. 3 herein, contained in appeal memorandum. I find that as narrated in Para 3 of Show Cause Notice, summons were issued to the Appellant by the investigating authority on 15.9.2016, 7.3.2018, 10.10.2018, 4.12.2018 and 1.2.2019 to produce various documents and to give oral statement but they did not appear. Thus, opportunities were given to the Appellant to explain their position. However, they chose not to avail the opportunity. It is apparent that filing affidavit after issuance of Show Cause Notice is merely an afterthought and it has no bearing on the outcome of this case.

13. The Appellant has contended that in the entire case except for so called evidences of receipt of money from the buyers of tiles through Shroff, no other evidence of manufacture of tiles, procurement of raw materials including fuel and power for manufacture of tiles, deployment of staff, manufacture, transportation of raw materials as well as finished goods, payment to all including raw material suppliers, transporters etc. in cash have been gathered. The Appellant further contended that no statement of any of buyers, transporters who transported raw materials and finished goods etc. are relied upon or even available. It is settled position of law that in absence of such evidences, grave allegations of clandestine removal cannot sustain and relied upon various case laws.

13.1 I find that the investigating officers gathered evidences from the premises of M/s National Enterprise, Morbi, Shroff, which indicated that the Appellant routed sales proceeds of illicitly removed goods through the said Shroff. The said evidences were corroborated by the depositions made by Shri Nashirali Amirali Dharani, Proprietor of M/s National Enterprise, Morbi during the course of adjudication. Further, as discussed *supra*, the Appellant had devised such a *modus operandi* that it was almost difficult to identify buyers of goods or transporters who transported the goods. In catena of decisions, it has been held that in cases of clandestine removal, it is not possible to unearth all the evidences and Department is not required to prove the case with mathematical precision. I rely on the Order passed by the Hon'ble CESTAT, Ahmedabad in the case of Apurva Aluminium Corporation reported at 1996 (261) E.L.T. 515 (Tri. Ahmd.), wherein at Para 5.1 of the order, the Tribunal has held that,

"Once again the onus of proving that they have accounted for all the goods produced, shifts to the appellants and they have failed to discharge this burden. They want the department to show challanwise details of goods

du

transported or not transported. There are several decisions of Hon'ble Supreme Court and High Courts wherein it has been held that in such clandestine activities, only the person who indulges in such activities knows all the details and it would not be possible for any investigating officer to unearth all the evidences required and prove with mathematical precision, the evasion or the other illegal activities".

14. Appellant No. 1 has contended that middleman Shri Nashir Ali had not given name of Morbi Ceramic Pvt Ltd or any one from M/s Morbi Ceramic Pvt Ltd in his statement. In absence of any oral evidence entries with "Khandvi Balaji", "Pinjor Balaji", "Sunil" etc attributed to M/s Morbi Ceramic Pvt Ltd is erroneous. In this regard, it is observed from Para 13.5 of the Investigation Report annexed with Show Cause Notice that during the course of investigation, Nashirali-Amirali Dharani had revealed names of all manufacturers, including name of Appellant No.1, during decoding of diaries/ sheets maintained by him. On going through the documents maintained by M/s National Enterprise, it is observed that name of Appellant No. 1 was appearing in therein. Thus, demand is raised on the basis of documentary evidences collected from the premises of M/s National Enterprise, Middleman. I, therefore, discard this contention as not sustainable.

15. In view of above, the various contentions raised by the Appellant are of no help to them and they have failed to discharge the burden cast on them that they had not indulged in clandestine removal of goods. On the other hand, the Department has adduced sufficient oral and documentary corroborative evidences to demonstrate that the Appellant indulged in clandestine removal of goods and evaded payment of Central Excise duty. I, therefore, hold that confirmation of demand of Central Excise duty amount of Rs. 11,14,638/- by the adjudicating authority is correct, legal and proper. Since demand is confirmed, it is natural consequence that the confirmed demand is required to be paid along with interest at applicable rate under Section 11AA of the Act. I, therefore, uphold order to pay interest on confirmed demand.

16. The Appellant has contended that Tiles were notified at Sr. No. 58 and 59 under Notification No. 49/2008-C.E.(N.T.) dated 24.12.2008, as amended issued under Section 4A of the Act and duty was payable on the retail sale price declared on the goods less abatement @ 45%. Though there is no evidence of manufacture and clearance of goods that too without declaration of RSP/MRP, duty is assessed considering the so called alleged realized value as abated value without any legal backing. The Appellant further contended that duty is to be

dy

determined as per Section 4A(4) of the Act read with Rule 4(i) of Central Excise (Determination of Retail Sale Price of Excisable Goods) Rules, 2008, which provided that highest of the RSP/MRP declared on the goods during the previous or succeeding months is to be taken for the purpose of assessment.

16.1 I find it is pertinent to examine the provisions contained in Section 4A of the Act, which are reproduced as under:

“Section 4A. Valuation of excisable goods with reference to retail sale price.-

(1) The Central Government may, by notification in the Official Gazette, specify any goods, in relation to which it is required, under the provisions of the [Legal Metrology Act, 2009 (1 of 2010)] or the rules made thereunder or under any other law for the time being in force, to declare on the package thereof the retail sale price of such goods, to which the provisions of sub-section (2) shall apply.

(2) Where the goods specified under sub-section (1) are excisable goods and are chargeable to duty of excise with reference to value, then, notwithstanding anything contained in section 4, such value shall be deemed to be the retail sale price declared on such goods less such amount of abatement, if any, from such retail sale price as the Central Government may allow by notification in the Official Gazette.”

16.2 I find that in terms of the Legal Metrology Act, 2009, retail sale price is required to be declared on packages when sold to retail customers. This would mean that when goods are sold to customers, other than retail customers, like institutional customers, the provisions of Legal Metrology Act, 2009 would not be applicable.

16.3 On examining the present case in backdrop of above provisions, I find that The Appellant has not produced any evidences that the goods were sold to retail customers. Further, as discussed above, the Appellant had adopted such a modus operandi that identity of buyers could not be ascertained during investigation. Since, applicability of provisions contained in Legal Metrology Act, 2009 itself is not confirmed, it is not possible to extend benefit of abatement under Section 4A of the Act. Even if it is presumed that all the goods sold by the Appellant were to retail customers then also what was realized through Shroff/Middlemen cannot be considered as MRP value for the reason that in cases when goods are sold through dealers, realized value would be less than MRP value since dealer price is always less than MRP price.

16.4 As regards contentions of the Appellant that duty is to be determined as per Section 4A(4) of the Act read with Rule 4(i) of Central Excise (Determination of Retail Sale Price of Excisable Goods) Rules, 2008, I find it is pertinent to examine the provisions of Rule 4 *ibid*, which are reproduced as under:

“RULE 4. Where a manufacturer removes the excisable goods specified under sub-section (1) of section 4A of the Act, -

(a) without declaring the retail sale price on the packages of such goods; or

(b) by declaring the retail sale price, which is not the retail sale price as required to be declared under the provisions of the Standards of Weights and Measures Act, 1976 (60 of 1976) or rules made thereunder or any other law for the time being in force; or

(c) by declaring the retail sale price but obliterates the same after their removal from the place of manufacture,

then, the retail sale price of such goods shall be ascertained in the following manner, namely :-

(i) if the manufacturer has manufactured and removed identical goods, within a period of one month, before or after removal of such goods, by declaring the retail sale price, then, the said declared retail sale price shall be taken as the retail sale price of such goods :

(ii) if the retail sale price cannot be ascertained in terms of clause (i), the retail sale price of such goods shall be ascertained by conducting the enquiries in the retail market where such goods have normally been sold at or about the same time of the removal of such goods from the place of manufacture :

Provided that if more than one retail sale price is ascertained under clause (i) or clause (ii), then, the highest of the retail sale price, so ascertained, shall be taken as the retail sale price of all such goods.”

16.5 I find that in the present case, the Appellant has not demonstrated as to how their case is covered by any of the situation as envisaged under sub clause (a), (b) or (c) of Rule 4 *ibid*. Hence, provisions of Rule 4(i) *ibid* is not applicable in the present case.

16.6 In view of above, plea of the Appellant to assess the goods under Section 4A of the Act cannot be accepted.

17. The Appellant has contended that all the allegations are baseless and totally unsubstantiated, therefore, question of alleged suppression of facts etc. also does not arise. The Appellant further contended that none of the situation suppression of facts, willful mis-statement, fraud, collusion etc. as stated in Section 11A(4) of the Central Excise Act, 1944 exists in the instant case but it is alleged suppression of facts in the impugned order based on the general allegation. I find that the Appellant was found indulging in clandestine removal of goods and routed the cash through Shroff. The *modus operandi* adopted by the Appellant was unearthed during investigation carried out against them by

DGCEI, Ahmedabad. Thus, this is a clear case of suppression of facts with intent to evade payment of duty. Considering the facts of the case, I am of the opinion that the adjudicating authority was justified in invoking extended period of limitation on the grounds of suppression of facts. Since invocation of extended period of limitation on the grounds of suppression of facts is upheld, penalty under Section 11AC of the Act is mandatory, as has been held by the Hon'ble Supreme Court in the case of Rajasthan Spinning & Weaving Mills reported as 2009 (238) E.L.T. 3 (S.C.), wherein it is held that when there are ingredients for invoking extended period of limitation for demand of duty, imposition of penalty under Section 11AC is mandatory. The ratio of the said judgment applies to the facts of the present case. I, therefore, uphold penalty of Rs. 11,14,638/- imposed under Section 11AC of the Act.

18. Regarding penalty imposed upon Appellant Nos. 2 to 5 under Rule 26 of the Rules, I find that the said Appellants were Directors of Appellant No. 1 and were looking after day-to day affairs of Appellant No.1 and were the key persons of Appellant No. 1 and were directly involved in clandestine removal of the goods manufactured by Appellant No. 1 without payment of Central Excise duty and without cover of Central Excise Invoices. They were found concerned in clandestine manufacture and removal of such goods and hence, they were knowing and had reason to believe that the said goods were liable to confiscation under the Act and the Rules. I, therefore, find that imposition of penalty of Rs. 75,000/- each upon Appellants No. 2 to 5 under Rule 26(1) of the Rules is correct and legal.

19. In view of above, I uphold the impugned order and reject the appeal of the Appellant.

20. अपीलकर्ता द्वारा दर्ज की गई अपीलों का निपटारा उपरोक्त तरीके से किया जाता है।

20. The appeal filed by the Appellant is disposed off as above.
