ORDER-IN-APPENA:::

M/s Kalyan Glazed Tiles, 8-A, National Highway, B/h Lalpur 132 K.V Power House, Jambudiya, Morbi-364 642 (hereinafter referred to as 'Appellant) has filed Appeal No. V2/93/RAJ/2022 against Order-in-Original No. D/86/2021-22 dated 31.03.2022 (hereinafter referred to as 'impugned order') passed by the Assistant Commissioner, Central GST Division-1, Morbi (hereinafter referred to as 'adjudicating authority').

- 2. The facts of the case, in brief, are that the appellant was engaged in manufacture of Ceramic Glazed Tiles falling under Chapter Sub Heading No. 6908 of the Central Excise Tariff Act, 1985 and was holding Central Excise Registration No. AACFK5181EXM001. Intelligence gathered by the officers of Directorate General of Central Excise Intelligence, Rajkot Regional Unit, Rajkot (DGCEI) indicated that M/s B'son Cermic, Morbi were indulging in evasion of Central Excise duty way of illicit removal of unglazed ceramic tiles manufactured by them without payment of duty. During the search proceedings carried out at the factory premises of M/s B'son Ceramic, documents along with electronic gadgets were resumed under Panchnama dated 24.05.2016. During the investigation against M/s B'son Ceramic documentary evidences were collected which corroborated the evidences regarding clandestine purchase of Ceramic Unglazed Tiles by the appellant which was manufactured by M/s B'son and sold to the appellant without payment of Central Excise duty.
- 2.1 A statement of Shri Mukeshbhai Narshibhai Ughareja, Partner of M/s Kalyan Glazed Tiles, was recorded under Section 14 of Central Excise Act, 1944 read with Section 174 of CGST Act, 2017 on 04.06.2020. During the recording of statement of the Director of appellant unit, he admitted that they have purchased Unglazed Tiles (biscuits) from M/s B'son Ceramic without covering of Central Excise invoice and manufactured premium grade ceramic wall tiles from the said clandestine purchase of biscuits.
- 3. Show Cause Notice No. DGGI/RRU/36-03/2020-21 dated 16.06.2020 was issued to Appellant calling them to show cause as to why Central Excise duty amounting to Rs.4,04,708/- should not be demanded and recovered from them under proviso to Section 11A(4) of the erstwhile Central Excise Act, 1944 (hereinafter referred to as "Act") along with interest under Section 11AA of the Act and also proposing imposition of penalty under Section 11AC of the Act.

above said Show Cause Notice was adjudicated vide the impugned

order wherein the demand of Central Excise duty amounting to Rs.4,04,708/-was confirmed under Section 11A(4) along with interest under Section 11AA of the Act. The impugned order imposed penalty of Rs.4,04,708/- under Section 11AC of the Act.

- 4. Being aggrieved with the impugned order, Appellant preferred appeals on various grounds, inter alia, as below:
 - (i) The adjudicating authority has failed to furnish legible certified copies of documents as requested by them vide letter dated 13.07.2020 as well as in written submission dated 01.10.2020 before passing the order and hence the impugned order violated the principles of natural justice. The appellant relied upon the following decisions.
 - (a) Rajam Industries (P) Ltd-2020 (255) ELT. 161 (Mad)
 - (b) Parmarth Iron Pvt. Ltd 2010 (255) E.L.T. 496 (All.)
 - (c) Videocon International Ltd-2010 (25) ELT.553 (Tri-Mumbai)
 - (ii) The adjudicating authority has relied upon various statements referred and relied upon in the show cause notice confirming the demand. However, the adjudicating authority has passed the order without allowing cross examination of Departmental witnesses in spite of specific request made for the same. It is settled position of law that any statement recorded under Section 14 of the Central Excise Act, 1944 can be admitted as evidence only when its authenticity is established under provisions of Section 9D(1) of the Act and relied upon following case laws:
 - (a) J.K. Cigarettes Ltd. Vs. CCE 2009 (242) ELT 189 (Del).
 - (b) Jindal Drugs Pvt Ltd -2016 (340) E.L.T. 67 (P & H)
 - (c) Ambika International 2018 (361) E.L.T. 90 (P & H)
 - (d) G-Tech Industries 2016 (339) E.L.T. 209 (P & H)
 - (e) Andaman Timber Industries -2015-TIOL-255-SC-CX
 - (f) Parmarth Iron Pvt. Ltd 2010 (255) E.L.T. 496 (All.)
 - (iii) In view of the provisions of Section 9D of the Central Excise Act, 1944 and settled position of law by way of above referred judgments, since cross examination of departmental witnesses were not allowed their statements cannot be relied upon while passing the order and determining the duty amount payable by it. Especially when, there is no other evidence except so called oral evidences in the form of those statements and un-authenticated third party private records. Therefore, in view of the above, impugned order passed by the learned Assistant Commissioner is liable to be set aside on this ground

- (iv) The show cause notice is running into 26 pages plus Annexure-RUD plus Annexure-I showing duty liability in respect of clandestinely purchase of Unglazed Ceramic Tiles from M/s B'son Ceramics, Morbi. It is not forthcoming from the same that base on which document the Annexure-I is prepared. Neither Panchnama nor statements nor other documents referred in Annexure-RUD have direct or indirect relation with the demand of duty against the appellant.
- (v) The adjudicating authority erred in finding that it is not the case to decide whether the goods cleared by M/s B'son are excisable or otherwise. The adjudicating authority intentionally misinterpreted Circular dated 17.10.1988. It is settled position of law that Board's Circular is binding upon the department and clarification issued by the Board is squarely applicable to the goods manufactured by M/s B'son as clay biscuit tiles are not marketable.
- (vi) The allegation of purchase of goods without payment of duty and without invoice are totally baseless. The investigation has not adduced any documentary evidence to the effect of supply of said goods without invoice and without payment of duty. There is no evidence of manufacture of Ceramic Tiles out of ceramic unglazed tile purchased from M/s B'son and there is no evidence of sale to buyers of the ceramic glazed tiles without invoice and without payment of duty of excise. There is no evidence of transportation of such goods nor receipt of sale value from anyone except oral evidences. The only evidence adduced against the appellant is one statement dated 04.06.2020 of one of the partners, Shri Mukeshbhai Narshibhai Ughareja, Partner of M/s Kalyan Glazed Tiles but the same is version of the officer so as to fabricate the case against the appellant.
- (vii) In any case, two Annexure-II and III where the name of appellant written are not legible and cannot have any evidential value in absence of any evidence as provided under Section 36B(2) of the Central Excise Act, 1944. Pen drive is not computer within the meaning of 'Explanation' to Section 36B ibid, therefore, printout of pen drive cannot be considered as printout of computer, so it cannot be considered as admissible evidence. They relied upon the following case laws:

Ę

- (c) Ambica Organics-2016 (334) ELT.97 (Tri-Ahmd)
- (d) Premium Packaging Pvt Ltd-2005 (184) ELT. 165 (Tri-Del)
- (viii) Root cause of investigation which lead to demand of Central Excise duty is investigation against M/s B'son Ceramic, Morbi. No independent investigation is carried out against appellant except recording confessional statement of one of the Directors of appellant. No evidence of manufacture of ceramic glazed tiles, procurement of other raw materials including fuel and power for manufacture of tiles, deployment of staff, transportation of raw materials as well as finished goods, statement of buyer specifically stating name of appellant, statement of transporters who transported finished goods, receipt of cash etc are relied upon or even available. It is settled position of law that in absence of such evidences, grave allegations of clandestine removal cannot sustain. Reliance is placed amongst other following decisions:
 - (a) Synergy Steels Ltd-2020 (372) EKT, 129 (Tri-Del)
 - (b) Savitri Concast Ltd-2015 (329) ELT.213 (Tri-Del)
 - (c) Aswani & Co-2015 (327) ELT.81 (Tri-Del)
 - (d) Shiv Prasad Mills Pvt Ltd-2015 (329) ELT.250 (Tri-Del)
 - (e) Shree Maruti Fabrics-2014 (311) ELT.345 (Tri-Ahmd).
- (ix) While issue of show cause notice, no reliance can be placed on any decision, but the investigation has placed reliance upon certain decisions regarding admissibility and evidential value of the records/documents seized during investigation. The investigation has placed reliance upon decisions without understanding the circumstances and facts of each cases.
- (x) Thus, in absence of any evidence for alleged clandestine manufacture and clearance of goods except so called allegations of cash receipt by around 186 tile manufacturers, it cannot be alleged suppression etc, and therefore, demand beyond normal period is time barred.
- (xi) When no duty is payable, question of payment of interest and imposition of penalty does not arise.
- 4.1 Personal Hearing in the matter was held on 06.09.2022. Shri P.D. Rachchh, Advocate, appeared on behalf of Appellant. He reiterated the submissions made in appeal memoranda in respect of all the appeals. He further stated that he would submit a synopsis of submissions as additional written

- 5. I have carefully gone through the facts of the case, the impugned order, the appeal memoranda and written as well as oral submissions made by the Appellants. The issue to be decided is whether the impugned order, in the facts of this case, confirming demand and imposing penalty is correct, legal and proper or not.
- 6. The first contention of the appellant in the present appeal is that the adjudicating authority has failed to furnish legible certified copies of documents as requested by them vide letter dated 13.07.2020 as well as reply dated 01.10.2020 before passing the order and hence the impugned order violated the principles of natural justice. In this regard, I find that, the adjudicating authority had addressed the issue at Paragraph 18.3 of the impugned order wherein he observed that Deputy Director, DGGI, RRU, Rajkot vided letter dated 29.06.2020 informed that legible copies of relied upon documents were supplied to them on 25.06.2020 and submitted copy of acknowledgement. Therefore, the contention of the appellant in this regard is fallacious and is liable for rejection.
- 7. Coming to the merits of the case, I find that an offence case was booked by the officers of Directorate General of Central Excise Intelligence, Rajkot against the appellant for clandestine removal of goods. During the search proceedings carried out at the factory premises of M/s B'son Ceramic, documents along with electronic gadgets were resumed under Panchnama dated 24.05.2016. During the investigation against M/s B'son Ceramic documentary evidences were collected which corroborated the evidences regarding clandestine purchase of Ceramic Unglazed Tiles by the appellant which was manufactured by M/s B'son and sold to the appellant without payment of Central Excise duty. Shri Mukeshbhai Narshibhai Ughareja, partner in his statement recorded under Section 14 of Central Excise Act, 1944 read with Section 174 of CGST Act, 2017 admitted that they have purchased Unglazed Tiles (biscuits) from M/s B'son Ceramic without covering of Central Excise invoice and manufactured premium grade ceramic wall tiles from the said clandestine purchase of biscuits.
- 8. The appellant, on the other hand, had contended that the allegation of purchase of goods without payment of duty and without invoice are totally baseless. The investigation has not adduced any documentary evidence to the effect of supply of said goods without invoice and without payment of duty. There is no evidence of manufacture of Ceramic Tiles out of ceramic unglazed tile purchased from M/s B'son and there is no evidence of sale to buyers of the glazed tiles without invoice and without payment of duty of excise.

There is no evidence of transportation of such goods not receipt of sale value from anyone except oral evidences. The only evidence adduced against the appellant is one statement dated 04.06.2020 of one of the partners, Shri Mukeshbhai Narshibhai Ughareja but the same is version of the officer so as to fabricate the case against the appellant.

- 9. In this regard, I find that the investigation was conducted at the level of the supplier of goods viz. M/s B'son Ceramic for clandestine removal of excisable goods by them. The appellant, a manufacturer of ceramic glazed tiles, had purchased unglazed ceramic tiles from the said M/s B'son Ceramic. The only evidence adduced by the investigation is a statement of one of the partners Shri Mukeshbhai Narshibhai Ughareja wherein he admitted that they had purchased unglazed ceramic tiles from M/s B'son Ceamic and manufactured and cleared glazed ceramic tiles clandestinely.
- 10. It is settled law that clandestine removal of excisable goods being a serious allegation, the department was bound to conduct investigation about transportation of goods, buyer of goods and receipt of sale proceeds. Without conducting any inquiry at the buyers end and transportation of goods and without collecting tangible evidences regarding manufacture and removal of goods, the allegation of clandestine removal cannot be established. In the present case, I observe that no investigation has been made by the agency who investigated the case to identify the buyer of the finished goods, the transporter who transported the goods and not collected any evidence of receipt of sale proceeds. In the cases relating to clandestine removal of excisable goods, following are the indicators of clandestine removal activities by a manufacturer:
 - (i) Excess stock of raw materials found in the factory premises.
 - (ii) Shortage of raw materials in the records of manufacturer.
 - (iii) Excess/shortage of manufactured goods found in the factory premises.
 - (iv) Excess consumption of electricity/power used in the manufacture of finished goods.
 - (v) Any transit seizure of clandestinely removed goods made by the investigating authority.
 - (vi) Any cash amounts seized from the factory premises or dealer's premises or residential premises searched during investigation.
 - (vii) Confessionary statements of the persons concerned with the clandestine manufacture/removal of excisable goods.

manufactured goods found in the factory premises. In fact, the factory of the appellant was not even visited by the investigating agency. There is no recovery of cash from anywhere. The only evidence available with the revenue is the statement of one of the partners, Shri Mukeshbhai Narshibhai Ughareja which stands retracted, as observed by adjudicating authority at Paragraph 20.5 of the impugned order. Hon'ble Tribunal in the case of Sakeen Alloys Pvt Ltd-2013 (296) E.L.T. 392 (Tri. - Ahmd.) held that in a clandestine removal case, the facts of clandestine removal of excisable goods cannot be established only on the basis of certain statement which retracted later but there has to be positive evidences like purchase of excess raw materials, shortage/excess of raw materials/finished goods found in the stock/factory premises of the appellant, excess consumption of power like electricity, any seizure of cash during the investigation when huge transactions are made in cash. Hon' Tribunal held as under:

11. From the above settled law, it is clear that in a clandestine removal case, the facts of clandestine removal of excisable goods cannot be established only on the basis of certain statements which are retracted later but there has to be positive evidences like purchase of excess raw materials, shortage/excess of raw materials/finished goods found in the stock/factory premises of the appellant, excess consumption of power like electricity, any seizure of cash during the investigation when huge transactions are made in cash. In the present case also, it is observed, from the annexures to the show cause notice dated 1-5-2009 issued to the appellants, that there were huge cash transactions to the tune of Rs. 11.23 Crores. When such large number of transactions involving huge amounts are being undertaken in clandestine removal activities, it is very likely that some cash would have been seized. There is not a single instance where either seizure of cash is made or any clandestinely removed goods are seized or raw materials/finished goods were found either short or in excess in the factory premises of the appellant or at any other place. As per the Panchnama drawn at the factory premises it is shown that there was no excess/shortage of the raw materials or finished goods found. The documentary evidences collected from the business premises of M/s. Sunrise Enterprise and the statements recorded by investigation, can at the most raise a reasonable doubt that some clandestine removal activities are undertaken by the appellant. However, such a suspicion or doubt has to be strengthened by positive evidences which seem to be lacking in this case. Any suspicion whosoever cannot take the place of evidence regarding clandestine removal of excisable goods. Moreover, after having positive evidences, quantification of duty on clandestinely removed goods also becomes essential. As already mentioned above, the stock lying in the stock yard of M/s. Sunrise Enterprise, Mehsana was found containing the goods received from M/s. Sakeen Alloys Pvt. Limited under proper invoices. When the goods received under proper invoices are found in the stock yard of M/s. Sunrise Enterprise, then it is possible that out of such goods certain quantities were sold to various customers by accepting payment in cash. In such a situation, the quantification undertaken by the investigation becomes doubtful and incorrect. For this purpose cross-examination of the person Incharge looking after the records of M/s. Sunrise Enterprise was must, which was not allowed by the adjudicating authority. In view of the above observations, the demand of duty of Rs. 1,85,10,861/- is not sustainable and is required to be set aside.

bove decision of Tribunal has been affirmed by Hon'ble Gujarat High

Court as reported at 2014 (308) E.L.T. 655 (Guj.) wherein it is held that;

- 7. As can be noted from the decision of the Tribunal, it has extensively dealt with the entire factual matrix presented before it. The Tribunal rightly concluded that in the case of clandestine removal of excisable goods, there needs to be positive evidences for establishing the evasion, though contended by the Revenue. In absence of any material reflecting the purchase of excessive raw material, shortage of finished goods, excess consumption of power like electricity, seizure of cash, etc., the Tribunal noted and held that there was nothing to bank upon except the bare confessional statements of the proprietor and of some of the persons connected with the manufacturing activities and such statements were retracted within no time of their recording. The Tribunal also noted the fact that the requisite opportunity of cross-examination was also not made available so as to bring to the fore the true picture and therefore, it concluded against the Revenue observing that not permitting the cross-examination of a person in-charge of records of M/s. Sunrise Enterprises and absence of other cogent and positive evidences, would not permit it to sustain the demand of Rs. 1.85 Crores raised in the Demand notice and confirmed by both the authorities below.
- 13. In the case of Shree Maruti Fabrics-2014 (311) E.L.T. 345 (Tri. Ahmd.) Hon'ble Tribunal has held that duty demand can be sustained only when the goods are manufactured and cleared. Hon'ble Tribunal held as under:

7......The duty demand can be sustained only when the goods are manufactured and cleared. However in the instant case there is not a single consignee of the goods, no transporter of the goods. No investigation has been done at the factory as to the manufacture of the goods. There is no investigation as to how the raw materials were procured, the consumption of electricity, the payments of wages, etc. The show cause notice or the adjudication order even does not show how the amounts received in the Bank accounts of these dummy concerns were transferred to appellant's account, if any. I therefore agree with the submissions made by the appellant and hold that the demands are not sustainable.

In the present case also, there is not a single consignee of goods and no transporter of goods identified by the investigating agency.

- 14. Further, it is held by Hon'ble Supreme Court in the case of Shalimar Rubber Industries v. Collr. of C.E., Cochin 2002 (146) E.L.T. 248 (S.C.), that no reliance can be placed on the oral statement of the raw material suppliers as he is not subjected to any examination and cross examination during adjudication. In the present case also the clandestine purchase has been alleged on the basis of statement of raw material supplier and he was not subjected to cross examination and hence his statement cannot be relied as evidence of clandestine purchase and removal of goods by the appellant.
- 15. I find that the adjudicating authority has placed reliance in the cases of Naresh J. sukhwawani-1996 (83) ELT.258 (S.C), 2010 (260) ELT.449 (Tri-Del), Alex Industries-2008 (230) ELT.73 (Tri-Mum), Divine Solutions-2006 (206) (Tri-Chennai), Karori Engg Works-2004 (166) ELT.373 (Tri-Del) in

Dhamasana. I find that the matter of circumstances of the said cases are different from the present situation. In the present case, the demand has been made alleging clandestine removal of goods and as held in the case of Sakeen Alloys Pvt Ltd (supra) by the Tribunal, which is affirmed by the Hon'ble Gujarat High the facts of clandestine removal of excisable goods cannot be established only on the basis of certain statement which retracted later butthere has to be positive evidences like purchase of excess raw materials, shortage/excess of raw materials/finished goods found in the stock/factory premises of the appellant, excess consumption of power like electricity, any seizure of cash during the investigation when huge transactions are made in cash. Therefore, I hold that the order confirming the demand on clandestine removal only on the basis of retracted statement is perverse and needs to be set aside.

- In view of above, I set aside the impugned order and allow the appeal. 16.
